

Have you checked your RTG's gear reducer recently?

EMEA/APAC Store

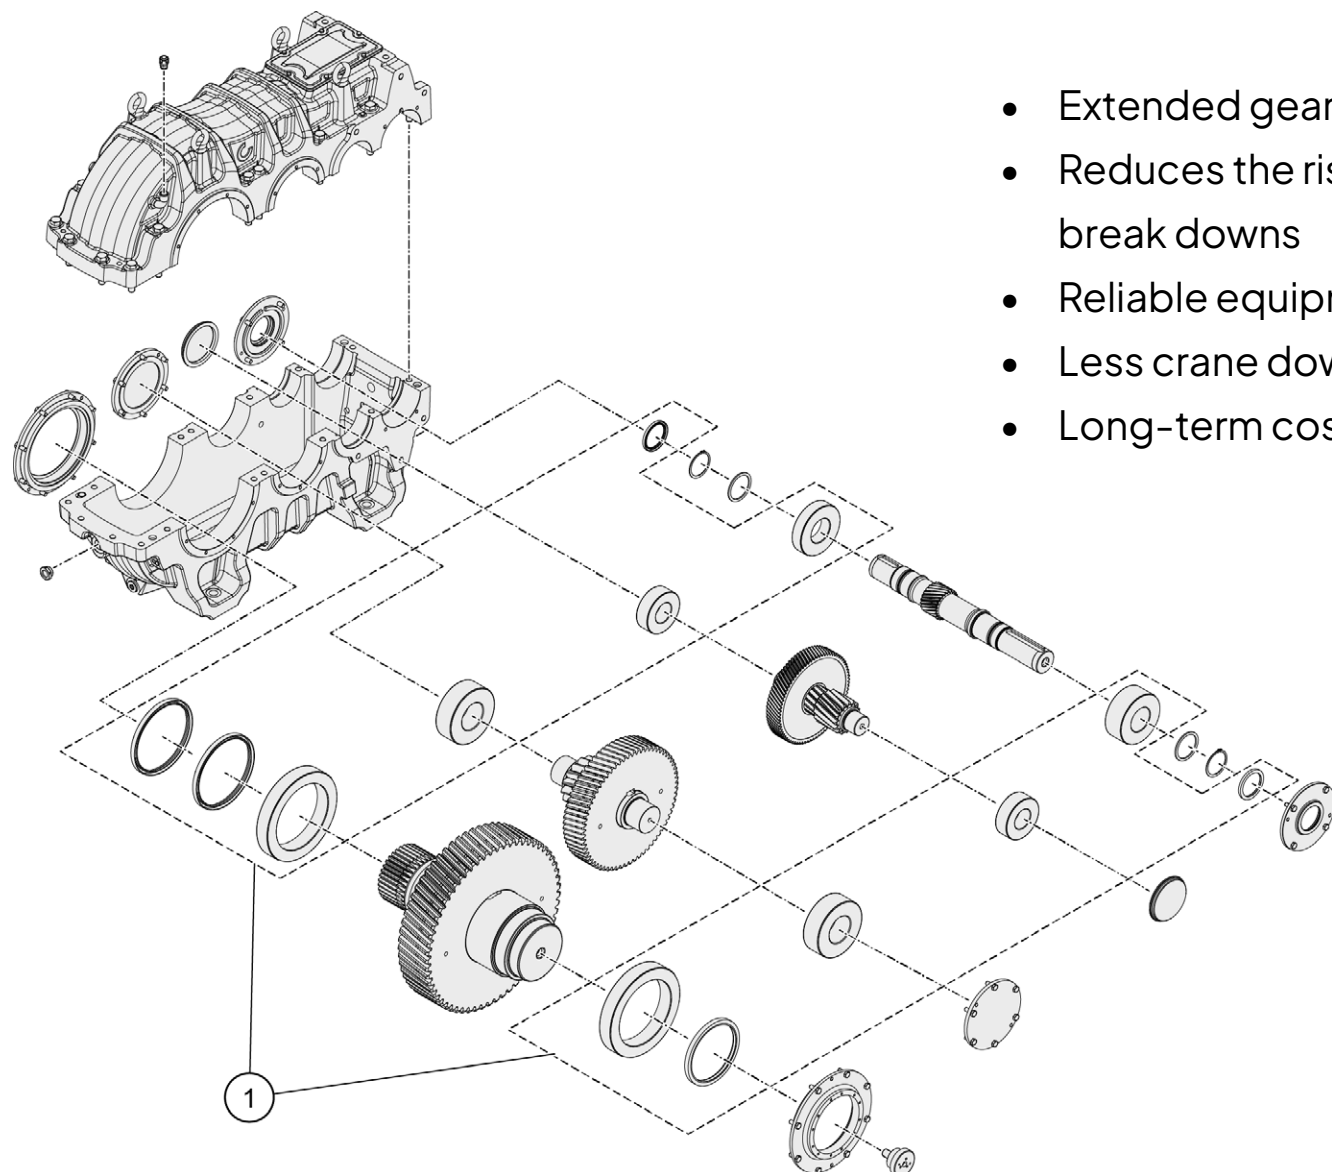

Konecranes RTGs gear reducer is designed to last the full lifetime of the crane, however, the bearings and seals need to be checked regularly for oil leaks to make sure they are working properly.

We have an easy replacement kit that ensures you can replace all bearings and seals in one task.

Benefits

- Extended gear reducer lifetime
- Reduces the risk of unexpected break downs
- Reliable equipment operation
- Less crane downtime
- Long-term cost savings
