Smart upgrade for your RTG cabin

Why upgrade now?

Transform your RTG cabin experience with the newest operator seat design. Say goodbye to availability issues and hello to superior comfort and functionality.

Key advantages

- ✓ **Better value for your money:** Competitive price without compromising on quality or features.
- ✓ **Effortless installation & removal:** Customer-friendly design means your team can handle installation without specialized support.
- ✓ **Always available when you need it:** Our European-manufactured seat and spare parts are in stock at Konecranes.
- ✓ **Spare parts readily available**
- ✓ **Enhanced visibility:** Features the V-cut design your operators need

Our complete seat assembly comes with:

- V-cut design for superior downward visibility
- Integrated sliding rails for horizontal movements
- Plug-and-play installation
- Air suspension for all-day comfort
- Heated cushion for cold weather operation
- Adjustable headrest

Order complete seat

Seamless compatibility

Direct plug-and-play seat replacement for Konecranes RTGs 2012 onwards

- Seat belt included (2–point standard):
 - KC ID 52899646, SEAT 6130000006, KFS102–H–S1
- Replacement for previous models:
 - Old Model no:
 - KC ID 52743238 (KAB65K4 – seat and headrest)
 - KC ID 52899642 (KAB65/K4 – seat, headrest, heating, and seat belt)
- Simply remove the old seat together with sliding base — our integrated sliding rails make installation quick and straightforward to rotating base
- Comprehensive spare parts support

All components in stock and readily available:

- Seat cushions (standard and heated V-cut options)
- Sliding rails
- Height-adjustable headrest
- Hand wheel for backrest adjustment
- 2–point and 4–point seat belt options

Upgrade to ergonomics and reliability.

Ports. Evolved.

Konecranes is a global leader in material handling solutions, serving a broad range of customers across multiple industries. We consistently set the industry benchmark, from everyday improvements to the breakthroughs at moments that matter most, because we know we can always find a safer, more productive and sustainable way. That's why, with around 16,500 professionals in over 50 countries, Konecranes is trusted every day to lift, handle and move what the world needs. In 2025, Group sales totalled EUR 4.2 billion. Konecranes shares are listed on Nasdaq Helsinki (symbol: KCR).
