

ELME 584 LD INNOVATION

Empty container handler spreader service box

Konecranes empty container handlers service box offers the possibility to facilitate your preventive maintenance planning, stocking up the correct genuine spare parts needed to service your lift truck properly, to reduce downtime as much as possible.

MODELS AVAILABILITY

The Spreader service box is available for different spreader models – both empty and laden truck spreaders.

Genuine makes it premium

Excellence is a cornerstone of the Konecranes product design process and a hallmark of the Konecranes brand.

Every lift truck goes through rigorous tests before delivery to check that your equipment always meets the highest possible product standards.

The highest standards could only be met together with Konecranes genuine spare parts and authorized maintenance partners.

That is the only way to complete our mission to build and customize the hard-working, long-lasting, heavy-duty lift trucks for our customers' worlds. This has been our way ever since we made our very first lift truck in 1959.

Made or selected by Konecranes, genuine parts are rigorously tested and are an integral component of your machine. They ensure your machine will drive, function and protect you the way it was intended. The components have met and exceeded high quality, safety and performance standards

584LD Innovation service box

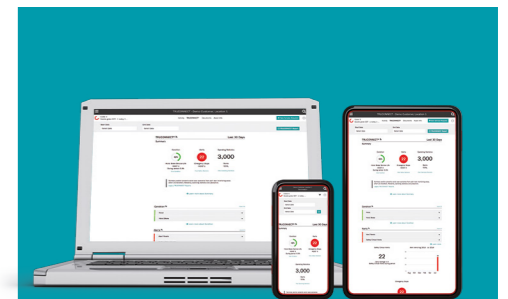

Make sure you stock the correct service box to be always ready for maintenance actions whenever needed. 584LD Innovation spreader Konecranes service box is available for ordering with **KCID 62404531**.

HOW TO ORDER

- You can order either when buying a new lift truck or at any time during the equipment's lifecycle via the local Konecranes official distributor
- Just provide the box part number and the serial number of your machine to get the box at your place

What's in the box?

Qty	KCID	Description
		<i>Hook Assembly</i>
2	54105014	Hook
2	54103105	Lockwasher
2	52484554	Nut
2	54103104	Pin
4	54106105	Side clamp bushing
		<i>Flex track chain</i>
