# KONECRANES RUNNING BOARD AND HANDRAIL UPGRADE SOLUTION

## ENHANCE SAFETY FOR YOUR OPERATORS AND TECHNICIANS.

The Konecranes running board and handrail upgrade solution ensures your operators and service technicians a secure working environment. While busy to handle maintenance work all around the equipment, they will always have some handrail to grab on. Easy to install, this solution has been studied and developed for all reach stacker models but different variations are available for other lift truck models as well.

## HOW KONECRANES RUNNING BOARD AND HANDRAIL UPGRADE SOLUTION WORKS.

Running board and handrail are mounted all around the walkable surfaces of the lift truck, allowing the operators and technicians to walk safely while carrying out maintenance and service activities, or simply during inspection checks.
