(c) Notwithstanding anything in this Agreement to the contrary, neither the Buyer nor the Group Companies, will assume or have any responsibility for any Liability of Seller or any of its Affiliates (other than, in the case of clauses (ii), (iv), (v) and (viii) below, the Group Companies) (each such Liability, an “Excluded Liability”):

Section 2.05 Assignment of Certain Acquired Assets. Notwithstanding any other provision of this Agreement to the contrary, this Agreement shall not constitute an assignment or transfer of any Acquired Asset or any claim or right or any benefit arising thereunder or resulting therefrom if an attempted assignment or transfer thereof, without the consent of a third party, would constitute a breach or other contravention thereof or would in any way adversely affect the rights of Buyer or the Asset Sellers (as applicable) thereto or thereunder, and such consent has not been obtained on or prior to the Closing. Subject to Section 5.04(a), Seller will, and will cause each of the other Asset Sellers (and to the extent practicable, their respective Affiliates) to, use its reasonable best efforts to obtain any consent necessary for the transfer or assignment of any such Acquired Asset claim, right or benefit to Buyer; provided, however, that in no event shall Seller have any obligation to pay any consent fee or make any other payment of any kind in connection with obtaining any such consent. If on the Closing Date any such consent is not obtained, or if an attempted transfer or assignment thereof would be ineffective or would adversely affect the rights of Buyer so that Buyer would not in fact receive all such rights, and (i) the Asset Sellers and Buyer will, subject to Section 5.04(a), cooperate in a mutually agreeable arrangement under which Buyer would obtain the benefits and assume the obligations and bear the economic burdens associated with such Acquired Asset, claim, right or benefit in accordance with this Agreement, including subcontracting, sublicensing or subleasing to Buyer, or under which the Asset Sellers would enforce for the benefit of Buyer any and all of their rights against a third party associated with such Acquired Asset, claim, right or benefit (collectively, “Third Party Rights”), and the Asset Sellers would promptly pay to Buyer when received all monies received by them under any such Transferred Asset, claim, right or benefit, (ii) after the Closing Date, subject to Section 5.04(a), Seller will, and will cause each of the other Asset Sellers to, continue to use its reasonable best efforts to obtain any consent necessary for the transfer or assignment of any such Acquired Asset claim, right or benefit to Buyer, and, upon the receipt of such consent, will immediately transfer such Acquired Asset to Buyer.

Section 2.06 Purchase Price.

(a) The Transaction Consideration (as defined below and which, for the avoidance of doubt, excludes the France Purchase Price), in consideration for the sale, transfer, and delivery to Buyer of all of the MHPS Shares and the Acquired Assets, shall be as follows:
(i) an aggregate amount in cash equal to the sum (the “Cash Consideration”) of: (i) $820,000,000, plus (ii) the Estimated Buyer Working Capital Payment, if any, minus (iii) the Estimated Seller Working Capital Payment, if any, plus (iv) the absolute value of the amount of Estimated Net Debt, if negative, minus (v) the amount of Estimated Net Debt, if positive, minus (vi) the Estimated Divestiture Adjustment Amount, minus (vii) if the Seller has not accepted the French Offer prior to the Closing, the France Purchase Price.

The Cash Consideration shall be subject to an additional adjustment after the Closing pursuant to Section 2.07(c) and Section 2.07(f); and

(ii) 19,600,000 newly issued class B shares (such shares, including any additional class B shares issuable in accordance with Section 2.07(d), the “Share Consideration” and together with the Cash Consideration, the “Transaction Consideration”) of Buyer, each class B share with no nominal value (the “Class B Shares”). The Share Consideration shall be subject to an adjustment after the Closing pursuant to Section 2.07(c).

(b) Seller has delivered to Buyer a statement of Net Working Capital (the “Reference Date Net Working Capital”) and a statement of Net Debt (the “Reference Date Net Debt”) as of December 31, 2015 (the “Reference Date”), a copy of which is set forth in Section 2.06(b) of the Seller Disclosure Letter (the “Reference Date Balance Sheet”). The Reference Date Balance Sheet has been prepared in accordance with U.S. GAAP using the accounting methods, policies, practices, procedures, judgments and estimation methodology used by Seller and the Business, as applicable, in the normal year-end closing process of the Business as reflected in Seller’s historical Hyperion accounts and applied consistent with past practice (the “Calculation Principles”). Seller shall provide, or use reasonable best efforts to cause to be provided, to Buyer all information reasonably requested by Buyer, including any work papers (including those prepared by Seller’s accountant) and other supporting documents, used in preparing the Reference Date Balance Sheet. The Parties agree that (i) the Reference Date Balance Sheet provides an accurate example of how the Preliminary Closing Balance Sheet and Closing Balance Sheet are to be prepared and (ii) the Reference Date Net Working Capital and the Reference Date Net Debt provide accurate examples of how Net Working Capital and Net Debt, respectively, are to be calculated for the purposes of this Agreement.

(c) At least five (5) Business Days before the Closing, Seller shall deliver to Buyer a preliminary Closing Balance Sheet for the Business (prepared as of the end of the most recent calendar month for which balance sheet data is available in the ordinary course of business) (the “Preliminary Closing Balance Sheet”). The Preliminary Closing Balance Sheet will be in the format set out in the Reference Date Balance Sheet and set forth a good faith estimate of (i) the amount of Net Working Capital (such estimate, the “Estimated Net Working Capital”) and (ii) the amount of Net Debt (such estimate, the “Estimated Net Debt”). The Preliminary Closing Balance Sheet shall be prepared using (i) the same policies and procedures (including asset valuation allowances) used in the preparation of the Reference Date Balance Sheet; and (ii) the Calculation Principles, without deviation except to reflect changes in facts or circumstances that occurred between the Reference Date Balance Sheet and the Preliminary Closing Balance Sheet. The parties acknowledge that the sole purpose of the working capital adjustment provided in this Agreement is to ensure that the purchase price takes into account only the cash impact of the changes in working capital between the Reference Date and the Closing. Accordingly, the parties agree that none of the Preliminary Closing Balance Sheet, the
Closing Balance Sheet, Net Working Capital, and Net Debt shall take into account any events to occur or occurring after the Closing. Seller shall also prepare and deliver to Buyer a worksheet showing the difference, if any, between the Estimated Net Working Capital and the Net Working Capital Threshold. The amount, if any, by which the Estimated Net Working Capital exceeds the Net Working Capital Threshold is referred to herein as the “Estimated Buyer Working Capital Payment”. The amount, if any, by which the Net Working Capital Threshold exceeds the Estimated Net Working Capital is referred to herein as the “Estimated Seller Working Capital Payment”.

(d) At least five (5) Business Days before the Closing, Buyer shall deliver to Seller a statement (the “Estimated Buyer Closing Statement”) consisting of a calculation in reasonable detail of the estimated Divestiture EBITDA and the estimated Divestiture Adjustment Amount (the “Estimated Divestiture Adjustment Amount”). Seller shall have the right to object to the amounts contained in the Estimated Buyer Closing Statement within two (2) Business Days after the delivery of the Estimated Buyer Closing Statement to Seller. Buyer shall in good faith consider the objections, if any, of Seller to the Estimated Buyer Closing Statement and, if Seller has made any reasonable objections, will re-issue an Estimated Buyer Closing Statement containing the Estimated Divestiture Adjustment Amount no later than two (2) Business Days prior to the Closing Date with any such revisions that Buyer has determined in good faith are appropriate.

Section 2.07 Post-Closing Adjustments to Purchase Price.

(a) Buyer shall prepare, or cause to be prepared, and delivered to Seller no later than ninety (90) days after the Closing Date, (i) a statement of Net Working Capital and Net Debt, which statement (the “Closing Balance Sheet”) will be in the format set out in the Reference Date Balance Sheet, together with a worksheet setting forth in reasonable detail how the amounts reflected on the Closing Balance Sheet were calculated and showing the difference, if any, between (A) the Net Working Capital shown on the Closing Balance Sheet (Net Working Capital as finally determined in accordance with Section 2.07(b), the “Final Net Working Capital”) and the Estimated Net Working Capital and (B) the Net Debt shown on the Closing Balance Sheet (Net Debt as finally determined in accordance with Section 2.07(b), the “Final Net Debt”) and the Estimated Net Debt and (ii) a statement setting forth in reasonable detail Buyer’s calculations of Buyer 2016 Adjusted EBIT, and MHPS 2016 Adjusted EBITDA and the Share Adjustment Amount based on such calculations (the “Share Adjustment Calculation”). The Closing Balance Sheet shall be prepared using (i) the same policies and procedures (including asset valuation allowances) used in the preparation of the Reference Date Balance Sheet; and (ii) the Calculation Principles, without deviation except to reflect changes in facts or circumstances that occurred between the Reference Date Balance Sheet and the Closing Date Balance Sheet. The parties acknowledge that the sole purpose of the working capital adjustment provided in this Agreement is to ensure that the purchase price takes into account only the cash impact of the changes in working capital between the Reference Date and the Closing. Accordingly, the Parties agree that the Closing Balance Sheet shall not take into account any events occurring after the Closing. In addition, the Parties agree that any amount used for purposes of determining calculating Indebtedness, Net Working Capital, intercompany payables or any other similar adjustment or as a basis for any indemnification hereunder, shall be counted only once and may not be counted in more than one adjustment hereunder.
(b) For thirty (30) days following its receipt of the Closing Balance Sheet and the Share Adjustment Calculation, Seller shall have the right to object thereto or any portion thereof. At all times from the date Seller receives the Closing Balance Sheet and the Share Adjustment Calculation until the final determination of the Closing Balance Sheet, Final Net Working Capital, Final Net Debt, the Share Adjustment Calculation and the Share Adjustment Amount in accordance with this Section 2.07(b), Seller and its representatives shall be permitted to review Buyer’s working papers and any working papers of Buyer’s representatives relating to the preparation of the Closing Balance Sheet or the Share Adjustment Calculation or the calculation of Net Working Capital or Net Debt shown on the Closing Balance Sheet or the calculations of Buyer 2016 Adjusted EBIT, MHPS 2016 Adjusted EBITDA or the Share Adjustment Amount, as well as all books, records and other information relating to the Business, including the information relating to Net Working Capital or Net Debt shown on the Closing Balance Sheet or the calculations of Buyer 2016 Adjusted EBIT, MHPS 2016 Adjusted EBITDA or the Share Adjustment Amount shown on the Share Adjustment Calculation, and Buyer shall make reasonably available to Seller and its representatives all relevant personnel of Buyer or any of its Affiliates and instruct the employees, counsel, financial advisors and the independent accountants of Buyer and its Affiliates to cooperate with Seller and its representatives in their investigation of the Closing Balance Sheet and the Net Working Capital and Net Debt shown on the Closing Balance Sheet and of the Share Adjustment Calculation and Buyer 2016 Adjusted EBIT, MHPS 2016 Adjusted EBITDA and the Share Adjustment Amount shown on the Share Adjustment Calculation. Any objection made by Seller shall be accompanied by materials showing in reasonable detail Seller’s support for its position or a reasonable basis for why it lacks sufficient information on which to make such an objection. Seller shall be deemed to have waived any rights to object to the Closing Balance Sheet and the Share Adjustment Calculation, unless Seller furnishes its written objections to Buyer within such thirty (30) day period. During the ninety (90) days after Buyer’s receipt of Seller’s objection to the Closing Balance Sheet (the "Consultation Period"), Buyer and Seller shall seek in good faith to resolve any differences in their respective positions with respect to the Closing Balance Sheet and the Share Adjustment Calculation. During the Consultation Period, each party shall provide the other party supporting documentation and make their respective representatives reasonably available to answer questions as to their respective positions with respect to the Closing Balance Sheet and the Share Adjustment Calculation. If Buyer and Seller are unable to agree on the Closing Balance Sheet and the Share Adjustment Calculation within ninety (90) days after Buyer’s receipt of Seller’s written objections, Seller shall appoint a Big Four Accounting Firm, excluding any such Big Four Accounting Firm (including any of their Affiliates) that serves as the independent auditor of Seller or Buyer (such firm, the “Accountant”), to resolve all matters that remain in dispute. Buyer and Seller shall execute any agreement reasonably required by the Accountant for its engagement hereunder. The Accountant, acting as an expert and not as an arbitrator, shall be charged with determining as promptly as practicable, but in any event within thirty (30) days after the date on which such dispute is referred to the Accountant, whether (i) Net Working Capital and Net Debt shown on the Closing Balance Sheet and the Closing Balance Sheet were prepared in accordance with this Agreement, in the same manner as set forth in Section 2.07(a), and (ii) Buyer 2016 Adjusted EBIT, MHPS 2016 Adjusted EBITDA and the Share Adjustment Amount shown on the Share Adjustment Calculation were prepared in accordance with this Agreement and (only with respect to the disagreements as to the disputed line items set forth in the notice of disagreement and submitted to the Accountant and any corresponding adjustment
required by resolution of such adjustment, and in all instances, the Accountant’s determination for each such disputed line item must be within the range of the amounts asserted by Buyer and Seller with respect to such disputed line item) whether and to what extent, if any, Net Working Capital and Net Debt shown on the Closing Balance Sheet and the Closing Balance Sheet require adjustment to conform with the method of determination set forth in Section 2.07(a) or to correct mathematical errors and whether and to what extent, if any, Buyer 2016 Adjusted EBIT, MHPS 2016 Adjusted EBITDA and the Share Adjustment Amount shown on the Share Adjustment Calculation require adjustment to conform with the method of determination set forth in this Agreement or to correct mathematical errors, and the Accountant is not to make any other determination. For the avoidance of doubt, the Accountant (i) shall not review any line items or make any determination with respect to any matter other than those matters that remain in dispute at the end of the Consultation Period, (ii) with respect to the Closing Balance Sheet, shall have no discretion to deviate from the calculation method set forth in Section 2.07(a) and (iii) shall make its determination based solely on presentations and supporting material provided by the parties and not pursuant to any independent inquiry. The Accountant shall allocate its costs and expenses between Buyer and Seller based upon the percentage of the contested amount submitted to the Accountant that is ultimately awarded to Buyer on the one hand or Seller on the other hand, such that Buyer bears a percentage of such costs and expenses equal to the percentage of the contested amount awarded to Seller and Seller bears a percentage of such costs and expenses equal to the percentage of the contested amount awarded to Buyer. If there is no timely objection as provided above, the Closing Balance Sheet and Net Working Capital and Net Debt shown on the Closing Balance Sheet and Buyer 2016 Adjusted EBIT, MHPS 2016 Adjusted EBITDA and the Share Adjustment Amount shown on the Share Adjustment Calculation shall be binding and final for purposes of this Agreement. If there is a timely objection as provided above, (i) the resolution of the parties as to any disputed matter and (ii) solely with respect to those matters that remain in dispute after the Consultation Period, the determination of the Accountant, in each case, shall be binding and final for purposes of this Agreement.

(c) The amount equal to the Final Net Working Capital minus the Estimated Net Working Capital shall be referred to as the “Working Capital Difference”. The amount equal to the Final Net Debt minus the Estimated Net Debt shall be referred to as the “Net Debt Difference”. The amount equal to the Final Divestiture Adjustment Amount minus the Estimated Divestiture Adjustment Amount shall be referred to as the “Divestiture Adjustment Difference”. Within two (2) Business Days following the final determination of the Final Net Working Capital and the Final Net Debt, whether by agreement between Buyer and Seller or as otherwise set forth in Section 2.07(b), (i) (A) Buyer shall pay to Sellers an amount equal to the absolute value of the Working Capital Difference if the Working Capital Difference is a positive number, and (B) Sellers shall pay to Buyer an amount equal to the absolute value of the Working Capital Difference if the Working Capital Difference is a negative number; and (ii) (A) Sellers shall pay to Buyer an amount equal to the absolute value of the Net Debt Difference, if the Net Debt Difference is a positive number, and (B) Buyer shall pay to Sellers an amount equal to the absolute value of the Net Debt Difference, if the Net Debt Difference is a negative number. Such amounts shall be paid, in immediately available funds, pursuant to instructions delivered by Buyer or Seller, as applicable. Notwithstanding the foregoing, the aggregate of the respective amounts to be paid (if any) by Seller, on the one hand, and Buyer, on the other hand, under the
preceding two sentences shall, if payable at the same time, be netted against each other and the party with the positive net payment obligation shall pay such net obligation amount.

(d) Within ten (10) Business Days following the final determination of the Share Adjustment Amount, whether by agreement between Buyer and Seller or as otherwise set forth in Section 2.07(b), (i) if the Share Adjustment Amount is a positive number, Buyer shall deliver to Seller (or its designated Affiliate(s)) a number of Class B Shares equal to the Share Adjustment Amount and (ii) if the Share Adjustment Amount is a negative number, Seller (or its designated Affiliate(s)) shall surrender to Buyer a number of Class B Shares equal to the absolute value of the Share Adjustment Amount.

(e) In the event that either Party discovers within ninety (90) days after the Closing that there exists any Seller Intercompany Balance or Group Company Intercompany Balance then such Party shall inform the other Party, in writing, of the balances so discovered, together with reasonable supporting detail therefor and such other Party will have thirty (30) days to review such information and to provide any objection to the calculations presented. During the Consultation Period, the Parties shall seek in good faith to resolve any differences in their respective positions with respect to Seller Intercompany Balances or Group Company Intercompany Balances, and make their respective representatives reasonably available to answer questions as to their respective positions with respect to such amounts. If the Parties are unable to agree on any such amount during the Consultation Period, then such dispute shall be referred to the Accountant and resolved in accordance with the dispute provisions set forth in Section 2.06(b). Upon final agreement as to the Seller Intercompany Balances and Group Intercompany Balances (or upon the Accountant’s final determination thereof, which shall be final and binding on the Parties) the absolute value of the difference between all such Seller Intercompany Balances so discovered and all such Group Intercompany Balances so discovered shall be deemed for purposes of this Agreement (i) an increase to the Transaction Consideration if the Group Company Intercompany Balances are greater than the Seller Intercompany Balances and (ii) a decrease to the Transaction Consideration if the Seller Intercompany Balances are greater than the Group Company Intercompany Balances. Such deemed adjustment shall be finalized between the Parties no later than the date on which the Closing Balance Sheet is deemed final for purposes of this Agreement in accordance with Section 2.06(c). For purposes of this Agreement, a payable discovered after Closing in favor of the Seller or any of its Affiliates (that prior to Closing was an intercompany payable and was not taken into account in the calculations of Net Working Capital or Final Net Working Capital) shall herein be referred to as a “Seller Intercompany Balance” and a payable discovered after Closing in favor of a Group Company (that prior to Closing was an intercompany payable and was not taken into account in the calculations of Net Working Capital or Final Net Working Capital) shall herein be referred to as a “Group Company Intercompany Balance.”

(f) From and after the Closing, each Party shall provide the other Party any documents relating to, and make their respective Representatives reasonably available to answer questions with respect to, any completed Divestiture Sale. Seller shall prepare, or cause to be prepared, no later than ninety (90) days after the later or the Closing Date and the consummation of the final Divestiture Sale, and deliver to Buyer a statement setting forth in reasonable detail any continuing disagreements (“Divestiture Disputes”) with the Estimated Buyer Closing Statement, a calculation in reasonable detail of the Divestiture EBITDA, the Divestiture
Adjustment Amount and an amount, if any, payable pursuant to this Section 2.07(f). Seller and Buyer shall attempt in good faith for thirty (30) days to resolve such Divestiture Disputes. If a resolution cannot be reached through good faith negotiation within thirty (30) days then, at the request of either Buyer or Seller, Buyer and Seller shall jointly engage and submit the unresolved Divestiture Disputes to the Accountant, and such Divestiture Disputes shall be resolved in accordance with the mechanics set forth in Section 2.07(b), applied mutatis mutandis to resolve Divestiture Disputes (such Divestiture Adjustment Amount, as agreed between Buyer and Seller or as finally determined in accordance with the mechanics set forth in Section 2.07(b), applied mutatis mutandis to resolve Divestiture Disputes, the “Final Divestiture Adjustment Amount”). Within two (2) Business Days following the determination of the Final Divestiture Adjustment, (i) Sellers shall pay to Buyer an amount equal to the absolute value of the Divestiture Adjustment Difference, if the Divestiture Adjustment Difference is a positive number, and (ii) Buyer shall pay to Sellers an amount equal to the absolute value of the Divestiture Adjustment Difference, if the Divestiture Adjustment Difference is a negative number.

(g) Nothing in this Section 2.07 shall preclude any party from exercising, or shall adversely affect or otherwise limit in any respect the exercise of, any right or remedy available to it hereunder for any misrepresentation or breach of warranty hereunder, but neither Buyer nor Seller shall have any right to dispute the Closing Balance Sheet, the Final Net Working Capital, the Final Net Debt, the Share Adjustment Calculation, Buyer 2016 Adjusted EBIT, MHPS 2016 Adjusted EBITDA, the Share Adjustment Amount or the Final Divestiture Adjustment Amount or any portion thereof once it has been finally determined in accordance with Section 2.07(b).

Section 2.08 Divestiture Proceeds.

(a) If the Divestiture Adjustment Amount is greater than $0, then from and after the Closing, upon, as applicable, the Closing or the receipt of any Divestiture Proceeds, Buyer shall pay to Seller in U.S. dollars (converted, if necessary, at the Spot Exchange Rate) an amount equal to the Seller Divestiture Proceeds (it being agreed and understood that each time Buyer is required to make a payment under this Section 2.08(a), the Seller Divestiture Proceeds shall be calculated taking into account all Divestiture Proceeds and the amount Buyer shall be required to pay to Seller pursuant to this Section 2.08(a) shall be net of all prior payments made by Buyer to Seller pursuant to this Section 2.08(a) (excluding any amounts reimbursed by Seller pursuant to Section 2.08(b))).

(b) If any Divestiture Sale provides for potential post-closing indemnity or other payments by Buyer, the Group Companies or any of their Affiliates and such payments are actually made, Seller agrees to reimburse Buyer from time to time for any difference in the amount that would have been paid to Seller pursuant to this Section 2.08(a) if the Divestiture Proceeds had been reduced by the amount of post-closing indemnity or other payments.

(c) For purposes of this Agreement (i) “Seller Divestiture Proceeds” means an amount equal to the product of (A) the Divestiture Proceeds, multiplied by (B) a fraction, the numerator of which is the Divestiture EBITDA, minus U.S.$20,000,000 and the denominator of which is the Divestiture EBITDA; provided that in no event shall the Seller Divestiture Proceeds
exceed the Divestiture Adjustment Amount; and (ii) “Divestiture Proceeds” means the aggregate amount of consideration received by Buyer or any of its Affiliates in respect of assets that are or will be the subject of a Divestiture Sale or any distributions or other proceeds received or retained from such assets net of all reasonable, documented out-of-pocket costs and expenses arising out of any Divestiture Sale (which costs and expenses shall not include any income taxes paid or required to be paid with respect thereto). If Divestiture EBITDA is not finally determined on the date a payment is required to be made by Buyer pursuant to Section 2.08(a), the amount of such payment will be determined based on the estimated Divestiture EBITDA set forth in the Estimated Buyer Closing Statement and adjusted promptly after Divestiture EBITDA and the Final Divestiture Adjustment Amount are finally determined.

Section 2.09 Withholding Tax. Provided that the certificates described in Section 3.02(a)(v) are timely received, the payment of any amount specified in this Agreement shall be paid free and clear of, and without any deduction or withholding on account of, any Tax, unless Buyer determines that withholding is required by Law, in which case Buyer shall notify Seller in writing of such determination no later than twenty (20) Business Days prior to the Closing Date and shall provide Seller with a reasonable opportunity to provide any required information, statements, or forms, or to take such other steps as may be reasonably required, to reduce or eliminate any required withholding. Any amount deducted and withheld in accordance with this Section 2.09 and remitted to the relevant Taxing Authority in accordance with applicable Law shall be treated for all purposes of this Agreement as having been paid to the payee.

Section 2.10 Allocation of Purchase Price.

(a) Within two (2) months following the delivery of a draft Pre-Closing Reorganization Plan in accordance with Section 5.14, Buyer and Seller shall, in good faith, seek to mutually agree a written schedule that allocates the Transaction Consideration among the Sellers according to the relative fair market values of the Acquired Assets, the MHPS Shares and the 50% interest in the DeMag JV (the “Consideration Allocation Schedule”, which term shall include any amendments made thereto in accordance with this Agreement). In the event that the parties cannot mutually agree upon a resolution with respect to any disputed items to be included in the Consideration Allocation Schedule within two (2) months following the delivery of the draft Pre-Closing Reorganization Plan, such disagreement shall be resolved by the Accountant in the manner described in Section 2.07(b), and the Consideration Allocation Schedule shall be amended accordingly; provided, however, that any such disagreements shall be resolved no later than five (5) Business Days prior to the Closing Date. Following the Closing, amendments to the Consideration Allocation Schedule shall be governed by the following provisions:

(i) Any payments made after the Closing to Buyer from Sellers or from Buyer to Sellers shall be allocated among the Sellers as follows: (A) to the extent any such payment (or portion thereof) relates primarily to one or more Sellers (or to assets or one or more Subsidiaries sold by one or more Sellers), such payment (or portion thereof) shall be allocated to such Seller(s) and (B) to the extent any such payment (or portion thereof) does not relate primarily to one or more Sellers (or to assets or one or more Subsidiaries sold by one or more Sellers), such payment (or portion thereof) shall be allocated among the Sellers in proportion to the allocation of the Transaction Consideration among the Sellers in the Consideration Allocation Schedule (as of immediately prior to the payment at issue).
(ii) The Closing Balance Sheet and the Share Adjustment Calculation shall contain an allocation among the Sellers of any transfers to be made under Section 2.07(c) and Section 2.07(d), respectively, which allocation shall be (A) made in accordance with applicable Law and clause (i) above, and (B) subject to the same timing and dispute resolution procedures as all other aspects of the Closing Balance Sheet and the Share Adjustment Calculation, as set forth in Section 2.07. The Parties shall amend the Consideration Allocation Schedule following the finalization of the Closing Balance Sheet and Share Adjustment Calculation to reflect the allocations contained therein.

(iii) The Parties shall amend the Consideration Allocation Schedule to account for any payment made pursuant to Section 2.07(f) and Section 2.08(a), in accordance with applicable Law and clause (i) above.

(iv) Any written notice delivered pursuant to Section 8.03(a) shall contain a proposed allocation among the Sellers of the amount claimed, in accordance with applicable Law and clause (i) above. The Parties shall work together in good faith to resolve any disputes regarding such allocation (including, if necessary, by submitting any such disputes to the Accountant for resolution in the manner described in Section 2.07(b)) prior to the disbursement of any payment in respect of the claim, and shall amend the Consideration Allocation Schedule to reflect such allocation as agreed and/or resolved in accordance with this provision.

(b) As soon as practicable after the Closing Date, and in any event within thirty (30) days thereof, Buyer shall deliver to Seller an allocation of the purchase price (consistent with the Consideration Allocation Schedule and as determined for income tax purposes) paid to each Asset Seller and each Equity Seller that is deemed (or a parent of which is deemed with respect to such Equity Seller) for income tax purposes to sell assets (or to have its assets sold) among the assets sold by such Asset Seller or deemed sold by or with respect to such Equity Seller, in each case in accordance with applicable Law (the “Asset Allocation Schedule”, which term shall include any amendments made thereto in accordance with this Agreement, and, together with the Consideration Allocation Schedule, the “Allocation Schedules”).

(c) Seller shall be deemed to have accepted and agreed to the Asset Allocation Schedule unless Seller objects by delivering, within fifteen (15) Business Days after receipt of the Asset Allocation Schedule, written notice to Buyer of such objection. Such notice shall specify in reasonable detail the items to which Seller objects and the basis for such objection. In the event that the parties cannot mutually agree upon a resolution with respect to such disputed items within fifteen (15) Business Days of Buyer’s receipt of such notice, such disagreement shall be resolved by the Accountant in the manner described in Section 2.07(b), and the Asset Allocation Schedule shall be amended accordingly. Seller and Buyer shall cooperate in good faith to amend the Asset Allocation Schedule as required to reflect any subsequent amendments to the Consideration Allocation Schedule. In the event that the parties cannot mutually agree upon any such amendment, such disagreement shall be resolved by the Accountant in the manner described in Section 2.07(b) and the Asset Allocation Schedule shall be amended accordingly.

(d) Buyer and Seller agree to (i) be bound by the Allocation Schedules, (ii) act in accordance with the Allocation Schedules in the filing of all Tax Returns (including, without
limitation, filing Internal Revenue Service Form 8594 (and any supplemental or amended Form 8594) with their U.S. federal income Tax Return for the taxable year that includes the Closing Date) and in the course of any Tax audit, Tax examination or Tax litigation relating thereto (and to cooperate in the preparation of any such filings), and (iii) take no position and cause its Affiliates to take no position inconsistent with the Allocation Schedules for Tax purposes, in each case, unless otherwise required by applicable Law. For the avoidance of doubt, nothing in this Section 2.10(d) shall require a party to commence or otherwise engage in any litigation regarding the Allocation Schedules.

Section 2.11 Works Council Matters.

(a) Seller and Buyer acknowledge that, under French labor Laws, one or more works councils of Terex Cranes France SAS and Noell Reggiane France S.à.r.l. will need to be informed and consulted with respect to the offer made by Buyer to acquire the total outstanding Equity Interests and voting rights of Terex Cranes France SAS and Noell Reggiane France S.à.r.l. (the "French Companies"), and the French assets listed at Section 2.11(a) of the Seller Disclosure Letter (the "French Assets"), collectively, the "French Business". Notwithstanding anything to the contrary in this Agreement, unless and until Seller has executed and delivered to Buyer the France Acceptance Notice, for the purpose of this ARTICLE II, the French Companies and the French Assets will not be considered, respectively, to be a Transferred Company or Acquired Assets.

(b) On the terms and conditions set forth in the offer letter attached as Exhibit C hereto (the "French Offer Letter" and the offer set forth therein, the "French Offer"), including the price specified therein (the "France Purchase Price"), Buyer has irrevocably offered to acquire the French Business (within the time limit set forth therein) and to have the provisions of this ARTICLE II apply to the French Business following completion of the consultation process described in Section 2.11(a). Subject to acceptance of the French Offer by Seller following completion of the consultation process described in Section 2.11(a), and upon delivery to Buyer of the executed acceptance notice attached as Schedule 2 to the French Offer Letter (the "France Acceptance Notice"), this ARTICLE II shall be effective with respect to the French Business, the French Companies shall be included in the Transferred Companies, the French Assets shall be included in the Acquired Assets and the Transaction Consideration shall be increased by the France Purchase Price (it being understood that the Transaction Consideration does not assume delivery of the France Acceptance Notice and therefore does not already include the France Purchase Price).

(c) Buyer shall reasonably cooperate with Seller and its relevant Affiliates in connection with the applicable consultation processes described in this Section 2.11, including timely provision of any required information relating to Buyer in respect of such consultation processes.

(d) If, as a result of the consultation process of any of the works councils, changes to this Agreement or further arrangements in connection with the Transactions are considered necessary, Seller and Buyer shall negotiate in good faith on such changes (if any) to this Agreement or further arrangements (if any) in connection with the Transactions that are appropriate, in accordance with the terms and conditions set forth in the French Offer Letter.
Section 2.12 Tax Treatment of Post-Closing Payments. For Tax purposes, the Parties shall treat any payments made pursuant to Section 2.07 or Section 2.08 and any indemnity payments made pursuant to ARTICLE VIII as adjustments to the Cash Consideration in accordance with the amendments to the Consideration Allocation Schedule made with respect to such payments pursuant to Section 2.10(a), except to the extent otherwise required by Law.

ARTICLE III

Except as set forth in the disclosure letter dated as of the date hereof, delivered to Buyer by Seller on or prior to entering into this Agreement (the “Seller Disclosure Letter”) (it being acknowledged and agreed that disclosure of any item in any section or subsection of the Seller Disclosure Letter shall be deemed disclosed with respect to any section or subsection of this Agreement to the extent the applicability of such disclosure is reasonably apparent on its face), Seller hereby represents and warrants to Buyer, as of the date hereof and as of the Closing, as follows:

This Agreement has been duly executed and delivered by Seller and, assuming the due authorization, execution and delivery of this Agreement by Buyer, constitutes the legal, valid and binding obligation of Seller, enforceable against Seller in accordance with its terms, except as limited by applicable bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar Laws relating to or affecting the enforcement of creditors’ rights generally or, as to enforceability, by general equitable principles (the “Bankruptcy and Equity Exception”). No authorization by the shareholders of Seller is required to consummate the Transactions.

(c) No Conflicts. Neither the execution and delivery by Seller of this Agreement, the compliance by it with all of the provisions of and the performance by it of its obligations under this Agreement, nor the consummation by Sellers of the Transactions (a) will conflict with, or result in a breach or violation of, or result in any acceleration of any rights or obligations or the payment of any penalty under or the creation of a Lien on the assets of the Sellers (with or without the giving of notice or the lapse of time or both) pursuant to, or permit any other party any improvement in rights with respect to or permit it to exercise, or otherwise constitute a default under, any provision of any Contract of the Sellers or permit, or result in any acceleration of any obligations of any party under any Contract of Seller or permit, in each case to which Seller is party to or by which Seller or its assets are bound, or (b) will result in any breach or violation of, or a default under, the provisions of the Organizational Documents of the Sellers or any Law applicable to the Sellers, except, in each of clauses (a) and (b), such conflicts, breaches, violations, defaults, payments, accelerations, creations, permissions or changes that, individually or in the aggregate, are not reasonably expected to prevent or materially impair or delay the consummation of the Transactions.

(d) Consents. Other than (a) the filings and/or notices under the Hart-Scott-Rodino Antitrust Improvement Act of 1976, as amended (the “HSR Act”), (b) the filings and/or notices under Non-U.S. Merger Control Laws, (c) filings and/or notices under non-U.S. investment laws or regulations, (d) approvals and consents required to be obtained from the Finnish Financial Supervisory Authority (the “FSA”) and Nasdaq Helsinky, (e) as required in order to comply with state or other local securities, takeover and “blue sky” laws, (f) submission of a notification to, and review by, the Committee on Foreign Investment in the United States (“CFIUS”) pursuant to Section 721 of the Defense Production Act of 1950, as amended (“Exon-Florio”) (g) any approval required under the Act on the Monitoring of Foreign Acquisitions (laki ulkomaalaisten yritysostojen seurannasta; 172/2012, as amended) by the Finnish Ministry of Employment and the Economy or the Plenary Session of the Finnish Government, as applicable (“Finnish CFIUS Approval”) and (h) such other authorizations, consents, approvals, Orders, permits, notices, reports, filings, registrations, qualifications and exemptions that, if not obtained, made or given, individually or in the aggregate, are not reasonably expected to prevent or materially impair or delay the consummation of any of the Transactions, no authorizations, consents, approvals, Orders, permits, notices, reports, filings, registrations, qualifications and exemptions of, with or from, or other actions are required to be made by the Sellers with, or obtained by the Sellers from, any U.S., non-U.S. (including Finnish) or international governmental or regulatory authority, agency, commission, bureau, court, tribunal, arbitral body or other governmental, quasi-governmental, regulatory or self-regulatory entity or authority of any nature, including Regulatory Authorities (“Governmental Entity”), in connection with the

Consummation of the Transactions will vest good and valid title to the MHPS Shares in Buyer, free and clear of any Liens (except Liens under applicable securities laws), and following consummation of the Transactions, Buyer will be the Beneficial Owner of the MHPS Shares.

(ii) Except as required pursuant to applicable Law, there are no preemptive or other outstanding rights, options, warrants, conversion rights, stock appreciation rights, redemption rights, repurchase rights, agreements, arrangements, calls, commitments or rights of any kind that obligate the Seller or the Transferred Companies to issue or sell any Equity Interests of any of the Transferred Companies, or any Equity Interests or obligations convertible or exchangeable into or exercisable for, or giving any Person a right to subscribe for or acquire, any Equity Interests of any of the Transferred Companies, and no Equity Interests or obligations evidencing such rights are authorized, issued or outstanding.

(h) Ownership of Buyer Ordinary Shares. As of the date hereof, Seller is not the Beneficial Owner of any Buyer Ordinary Shares.

(i) Share Consideration Not Registered. Except as contemplated by the Transaction Agreements, including Section 5.06, Seller understands that the Share Consideration has not been, nor will it be at Closing, registered under the Securities Act, by reason of its
issuance by Buyer in a transaction exempt from the registration requirements of the Securities Act, and that the Share Consideration must continue to be held by Seller unless a subsequent disposition thereof is registered under the Securities Act or is exempt from such registration.

(j) Investor Status; Etc. Seller certifies and represents to Buyer that it is now, and at the time of the issuance of the Share Consideration, will be, an “Accredited Investor” as defined in Rule 501 of Regulation D promulgated under the Securities Act. The Seller’s financial condition is such that it is able to bear the risk of holding the Share Consideration for an indefinite period of time and the risk of loss of its entire investment. Seller has received, reviewed and considered all information it deems necessary in making an informed decision to make an investment in the Share Consideration and has been afforded the opportunity to ask questions of and receive answers from the management of Buyer concerning this investment and has sufficient knowledge and experience in investing in companies similar to Buyer in terms of Buyer’s stage of development so as to be able to evaluate the risks and merits of its investment in Buyer.

(k) Purchase Entirely for Own Account. Except as contemplated by the Transaction Agreements, including Section 5.06, (i) Seller is acquiring the Share Consideration for its own account, and not for resale or with a view to distribution thereof in violation of the Securities Act, and (ii) Seller has not entered into an agreement or understanding with Buyer to resell or distribute such Share Consideration.

Section 4.02 Representations and Warranties Regarding the Business. Except as set forth in the Seller Disclosure Letter (it being acknowledged and agreed that disclosure of any item in any section or subsection of the Seller Disclosure Letter shall be deemed disclosed with respect to any section or subsection of this Agreement to the extent the applicability of such disclosure is reasonably apparent on its face), Seller hereby represents and warrants to Buyer that as of the date hereof and as of the Closing:

(a) Organization.

(i) Each Group Company is validly organized, in existence and duly registered under the Laws of its respective jurisdiction of organization.

(ii) Each Group Company is qualified or otherwise authorized to act as a corporation or other form of business organization and, to the Knowledge of Seller, is in good standing (where such concept is recognized under applicable Law) under the Laws of every other jurisdiction in which such qualification or authorization is necessary under applicable Law, except where the failure to have such power or authority when taken together with all other such failures, individually or in the aggregate, (i) has not had and is not reasonably expected to have a MHPS Material Adverse Effect and (ii) is not reasonably expected to prevent or materially impair or delay the consummation of the Transactions.

(iii) Each Group Company has all requisite corporate, company or similar power and authority to own and operate its properties and assets and to carry on its business as presently conducted in all material respects.
(iv) The Business is the only material business of the Group Companies (after giving effect to the Pre-Closing Reorganization).

(b) Title to Assets. The Group Companies have good and valid title to, or a valid leasehold interest in, the material tangible assets (other than the Acquired Assets) used primarily in the conduct of the Business, free and clear of all Liens, other than Permitted Liens. The Asset Sellers have good and valid title to, or a valid leasehold interest in, the Acquired Assets, free and clear of all Liens, other than Permitted Liens.

(c) Sufficiency of Assets. The assets held by the Group Companies as of Closing, together with the Acquired Assets and the rights to be provided pursuant to the Transition Services Agreement, the Kappa Demag License Agreement, and any Third Party Rights, taking into account the benefits and burdens passed to Buyer pursuant to Section 2.05(i), constitute as of the date of this Agreement, and will constitute as of the date of Closing, in all material respects the entire business included in Seller’s “Material Handling & Port Solutions” operating segment, as reflected on the consolidated financial statements of Seller, and comprise all the rights, property and tangible and Intellectual Property assets necessary in all material respects for the continued conduct of the Business after Closing in substantially the same manner as conducted as of the date of this Agreement (provided that the foregoing is not a representation as to the infringement or other violation of third-party Intellectual Property which is exclusively the subject of the representation in Section 4.02(p)(iii)).

(d) Capitalization.

(i) Section 4.02(d)(i) of the Seller Disclosure Letter sets forth: (a) the authorized capital of each Transferred Company, (b) the number of issued and outstanding shares of capital stock of each Transferred Company, and (c) the record owners of such shares of capital stock. All of the MHPS Shares (A) have been duly authorized and validly issued, (B) are fully paid and non-assessable, and (C) were issued in all material respects in compliance with all applicable Laws concerning the issuance of securities. Each Subsidiary of Buyer (the “Buyer Subsidiaries”) is an entity duly organized, validly existing and in good standing (where such concept is recognized under applicable Law) under the laws of its respective jurisdiction of organization, except where the failure to be so organized, existing and in good standing when taken together with all other such failures, individually or in the aggregate, (i) has not had and is not reasonably expected to have a Buyer Material Adverse Effect and (ii) is not reasonably expected to prevent or materially impair or delay the consummation of the Transactions. Each of

(ii) Except as disclosed in Section 4.03(b)(ii) of the Buyer Disclosure Letter, all outstanding Buyer Ordinary Shares are duly authorized, validly issued, fully paid and non-assessable. This Agreement has been duly executed and delivered by Buyer and, assuming the due authorization, execution and delivery of this Agreement by Seller, constitutes the legal, valid and
binding obligation of Buyer, enforceable against Buyer in accordance with its terms, subject to
the Bankruptcy and Equity Exception.

(e) No Conflicts. Neither the execution and delivery by Buyer of this
Agreement, the compliance by it with all of the provisions of and the performance by it of its
obligations under this Agreement, nor the consummation by Buyer of the Transactions (A) will
conflict with, or result in a breach or violation of, or result in any acceleration of any rights or
obligations or the payment of any penalty under or the creation of a Lien on the assets of Buyer
(with or without the giving of notice or the lapse of time or both) pursuant to, or permit any other
party any improvement in rights with respect to or permit it to exercise, or otherwise constitute a
default under, any provision of any Contract of Buyer or permit, or result in any acceleration of
any obligations of any party under any Contract of Buyer or permit, in each case to which Buyer
is party to or by which Buyer or its assets are bound, (b) will result in any breach or violation of,
or a default under, the provisions of the Organizational Documents of Buyer, or (c) will result in

(vii) not to intentionally take or permit any action that would have, or could be reasonably expect to have, individually or in the aggregate, an MHPS Material Adverse Effect.

(c) Without limiting the generality of Section 5.01(a), except as expressly set forth in Section 5.01(c) of the Seller Disclosure Letter or as otherwise expressly provided for or contemplated by the Transaction Agreements or the definitive Pre-Closing Reorganization Plan or as required by applicable Law, from the Agreement Date until Closing, without the prior written consent of Buyer (which consent shall not be unreasonably withheld, conditioned or delayed), Seller shall, and shall cause each of its Subsidiaries operating the Business not to:

(vii) except for Contracts between one or more Group Companies, enter into any Contract with any Affiliate of the Seller or any Affiliate or shareholder of the Seller, or amend or modify any existing Contract with any Affiliate of the Seller or any Affiliate or shareholder of the Seller;

(ix) except (i) as required pursuant to the terms of any Seller Plan (including any collective bargaining agreement) in effect on the date of this Agreement, (ii) as required to comply with applicable Law or GAAP, (iii) as expressly permitted by this
Agreement, or (iv) in the ordinary course of business consistent with past practice (except this clause (iv) shall not be applicable to directors and executive officers of the Group Companies), (A) materially amend any MHPS Employee Plan (or any plan, agreement or other arrangement that would be a MHPS Employee Plan if it were in existence on the date of this Agreement), (B) materially accelerate the payment or vesting of benefits or amounts payable or to become payable to any employee of the Group Companies under any Seller Plan (or any plan, agreement or other arrangement that would be a Seller Plan if it were in existence on the date of this Agreement), (C) establish or enter into any material MHPS Employee Plan (or any plan, agreement or other arrangement that would be a material MHPS Employee Plan if it were in existence on the date of this Agreement), (D) grant any material increase in the compensation or benefits of directors, officers, employees or consultants of the Group Companies; provided, however, that nothing in this Section 5.01(c)(ix) shall restrict Seller or any of its Subsidiaries from entering into or making available to newly hired employees or to employees in the context of promotions based on job performance, in each case in the ordinary course of business consistent with past practice, benefits and compensation arrangements that have a value that is consistent with the past practice of making compensation and benefits available to newly hired or promoted employees in similar positions, or (E) negotiate, enter into, materially amend or terminate any collective bargaining agreement;

(x) bring, file, cancel, compromise or settle any material claim, or intentionally waive or release any material rights, in a manner that would materially adversely affect the Business after Closing;

(xi) other than in the ordinary course of business consistent with past practice, transfer, license, encumber, abandon, allow to lapse or otherwise dispose of any rights to material Intellectual Property used in connection with the Business;

(xii) make any commitment for capital expenditures in excess of $1 million in the aggregate that would not be payable until after the Closing Date;

(xiii) unnecessarily delay any cash payments to be made in connection with the restructuring of the Business in accordance with the restructuring plan set forth in Section 5.01(c)(xiii) of the Seller Disclosure Letter.

(xiv) except pursuant to any Contract or incentive plan, (A) make any loan to, or, enter into any other transaction with, any of its directors, officers or employees or any other Person (other than trade payables in the ordinary course of business consistent with past practice) or (B) make any loan to, or, enter into any other transaction with, Seller or any of its Affiliates or shareholders;

Section 5.02 Preparation of Buyer EGM Documents.

(a) As promptly as practicable after the date of this Agreement, Buyer shall, with the assistance of Seller, prepare the information required to be furnished to shareholders of Buyer under applicable Law for the Buyer Shareholders Meeting (the “Buyer EGM Documents”). Each Party shall cooperate with each other and use its reasonable best efforts to publish the Buyer EGM Documents as required under applicable Law, as promptly as practicable after the date of this Agreement. Seller shall furnish as promptly as practicable such information concerning the Group Companies as reasonably requested by Buyer in connection with the Buyer EGM Documents or other filings required under applicable Law, including such information as necessary in order for the Buyer EGM Documents to be compliant with applicable form requirements, if any.

(b) None of the information supplied or to be supplied by Buyer and Seller for inclusion or incorporation by reference in the Buyer EGM Documents will contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and the Buyer EGM Documents, at the date of its publication, will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. If, at any time prior to the Buyer Shareholders Meeting, any information relating to Buyer or the Business or any of its Affiliates, directors or officers should be discovered by Buyer or Seller which should be set forth in an amendment or supplement to the Buyer EGM Documents, so that such document would not include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they are made, not misleading, the Party that has made such discovery shall promptly notify the other Party of such information and such Party shall cooperate in the prompt publication of any necessary amendment or supplement to the Buyer EGM Documents and any recognized dissemination thereof to the shareholders of Buyer.

(c) Buyer shall cause the Buyer EGM Documents to comply as to form in all material respects with the requirements of applicable Law, except that Buyer shall not be required to make any representation or warranty except as required by applicable Law with respect to statements made or incorporated by reference therein based on information supplied by Seller for inclusion or incorporation by reference in the Buyer EGM Documents.

(d) No material amendment or supplement (including by incorporation by reference) to the Buyer EGM Documents shall be made without the approval of Seller, which approval shall not be unreasonably withheld or delayed.
Section 5.03 Buyer Shareholder Meeting.

(a) Buyer shall take, in accordance with applicable Law and its articles of association, all actions necessary to cause, as soon as practicable after the date of this Agreement and, in any event, within sixty (60) days of the date of this Agreement, an annual or extraordinary general meeting of its shareholders for the purpose of voting on the matters subject to the Buyer Requisite Vote (the “Buyer Shareholders Meeting”) to be duly called and held as soon as practicable thereafter, provided, that Buyer shall not be required to hold the Buyer Shareholders Meeting for the period beginning on July 11, 2016 and ending on August 15, 2016, and shall submit all of the matters subject to the Buyer Requisite Vote to its shareholders to be voted on together as a single matter.

(b) The Buyer Board (A) shall recommend that shareholders of Buyer vote in favor of the authorization and approval of any of the matters subject to the Buyer Requisite Vote (the “Buyer Board Recommendation”), (B) shall include the Buyer Board Recommendation in the Buyer EGM Documents, and (C) shall not withhold, withdraw, qualify or modify, or publicly announce its intent to withhold, withdraw, qualify or modify, in a manner adverse to Seller, the Buyer Board Recommendation. For the avoidance of doubt, nothing in this Section 5.03(b) shall prohibit Buyer from disclosing to its shareholders any fact or circumstance that is required to be disclosed under applicable Law or that the Buyer determines, in good faith and after consultation with its outside legal counsel, is material to shareholders in making their decision in how to vote on the matters subject to the Buyer Requisite Vote; provided that to the extent that Buyer reasonably determines that such disclosure could have substantially the same effect as a withdrawal, qualification or modification of the Buyer Board Recommendation in a manner adverse to Seller, Buyer shall publicly reaffirm the Buyer Board Recommendation concurrently with making such disclosure.

Section 5.04 Reasonable Best Efforts; Regulatory Filings and Other Actions.

(a) Seller and Buyer shall cooperate with each other and use (and shall cause their respective Subsidiaries to use) their respective reasonable best efforts to take or cause to be taken all actions, and do or cause to be done all things, necessary, proper or advisable on its part under this Agreement and applicable Laws to consummate and make effective the Transactions as promptly as practicable, after the date hereof, including (i) preparing and filing as promptly as practicable all documentation to effect all necessary notices, reports and other filings and to obtain as promptly as practicable all consents, registrations, approvals, authorizations, clearances, no-action letters and other permits necessary or deemed advisable by Seller and Buyer to be obtained from any third party and/or any Governmental Entity in order to consummate the Transactions, including preparing and making a filing for Finnish CFIUS Approval and a joint, voluntary filing with CFIUS pursuant to Exxon-Florio, (ii) responding as promptly as reasonably practicable to any inquiries or requests for additional information and documentary material received from any Governmental Entity in connection with any antitrust or competition matters or Exxon-Florio related to the Transactions, (iii) not agreeing to extend any
waiting period or to refile under Antitrust Law or Exon-Florio (except with the prior written consent of the other Party hereto, which consent shall not be unreasonably withheld, conditioned or delayed), and (iv) not entering into any agreement with any Governmental Entity to not consummate the Transactions. If any administrative or judicial action or proceeding, including any proceeding by a private party, is instituted (or threatened to be instituted) challenging any Transaction as violative of any Antitrust Law or Exon-Florio, each of Seller and Buyer shall use their reasonable best efforts to contest and resist any such action or proceeding and to have vacated, lifted, reversed or overturned any decree, judgment, injunction or other Order, whether temporary, preliminary or permanent, that is in effect and that prohibits, prevents or restricts consummation of the Transactions.

(b) Subject to Section 5.04(b), each of Seller and Buyer agree to take (and to cause its affiliates to take) promptly any and all steps necessary or advisable to avoid or eliminate each and every impediment and obtain all consents under any Antitrust Laws that may be required by any non-U.S. or U.S. federal, state or local Governmental Entity, in each case with competent jurisdiction, or to obtain a CFIUS Approval, to ensure that no Governmental Entity enters any order, decision, judgment, decree, ruling, injunction (preliminary or permanent), or establishes any law, rule, regulation or other action preliminarily or permanently restraining, enjoining or prohibiting the consummation of the Transaction, including accepting operational restrictions or limitations and committing to or effecting, by consent decree, hold separate orders, trust, or otherwise, the sale, license, disposition or holding separate of such assets or businesses of Seller, Buyer or any of their Subsidiaries as are required (and the entry into agreements with, and submission to orders of, the relevant Governmental Entity). Further, and for the avoidance of doubt, each of Seller and Buyer shall take (and shall cause each of its affiliates to take) any and all actions necessary or advisable in order to ensure that (x) no requirement for any non-action by or consent or approval of any Governmental Entity with respect to any Antitrust Laws or Exon-Florio, (y) no decree, judgment, injunction, temporary restraining order or any other order in any suit or proceeding with respect to any Antitrust Laws or Exon-Florio, and (z) no other matter relating to any Antitrust Laws or Exon-Florio would prevent or materially delay the consummation of the Transactions.

(c) Nothing in this Section 5.04 shall require, or be construed to require, Buyer or Seller to proffer to, or agree to, sell, divest or hold separate or take any other action with respect to any assets, businesses, or interests in any assets or businesses of (i) Buyer or any of its Subsidiaries or (ii) the Business (or to consent to any sale, divestiture or holding separate, or agreement to sell, divest or hold separate by (i) Buyer or any of its Subsidiaries or (ii) the Business, as the case may be, of any of its assets, businesses or interests in any of its assets or businesses), if (i) such action would, individually or in the aggregate, reasonably be expected to result in a Substantial Detriment or (ii) if such action is not contingent upon the consummation of the Closing. Subject to applicable Law and the instructions of any Governmental Entity, Seller and Buyer shall keep each other apprised of the status of matters relating to the completion of the Transactions, including promptly furnishing outside counsel for the other Party with copies of notices or other communications received or provided by Seller and Buyer, as the case may be, or any of their respective Subsidiaries, from or to any third party and/or Governmental Entity with respect to such transactions. Without limiting the foregoing, in connection with such Party’s efforts to eliminate each and every impediment and obtain all consents under any Antitrust Laws that may be required by any non-U.S. or U.S. federal, state or local Governmental
Entity, Buyer shall consult with Seller before making any voluntary proposal in any phase one review of any Governmental Entity in respect of a Divestiture Sale and Buyer shall not voluntarily make any phase one proposal of any Divestiture Sale that would include Divestiture EBITDA of an amount equal to or greater than $20,000,000 without the prior written consent of Seller, which consent shall not be unreasonably withheld, conditioned or delayed. In addition, (x) in the event that the Parties agree to a proposal for a Divestiture Sale which includes Divestiture EBITDA of $30,000,000 or more, then Buyer shall be deemed to have waived its right to terminate the Agreement under Section 7.01(e) and (y) in the event that the Parties agree to a proposal for a Divestiture Sale which includes Divestiture EBITDA of $40,000,000 or more (ignoring for this purpose the proviso in the definition of “Divestiture EBITDA”), then Seller shall be deemed to have waived its right to terminate the Agreement under Section 7.01(f).

(d) Subject to applicable Laws relating to the sharing of information, Seller and Buyer shall have the right to review in advance, and to the extent practicable, each will consult the other on any filing made with, or written materials submitted to, any third party and/or any Governmental Entity, in connection with the Transactions. (i) To the extent permitted by such Governmental Entity and (ii) to the extent that the communication or meeting relates to a national security risk mitigation agreement between Buyer and CFIUS or any of its constituent agencies, Seller and Buyer shall provide the other party with the opportunity to participate in any material meeting with any Governmental Entity in respect of any filings, investigation or other inquiry in connection with the transactions contemplated hereby. Seller and Buyer shall keep each other apprised of all material discussions with any Governmental Entity in respect of any filings, investigation or other inquiry in connection with the transactions contemplated hereby.

(e) Seller and Buyer each shall, upon request by the other and subject to applicable Laws relating to the sharing of information, furnish the other with all information concerning itself, its Subsidiaries, affiliates, and such other matters as may be reasonably necessary or advisable in connection with any statement, filing, notice or application made by or on behalf of Seller and Buyer or any of their respective Subsidiaries to any third party and/or any Governmental Entity in connection with the Transactions.

(f) Notwithstanding anything to the contrary contained herein, for any information exchanged under this Section 5.04, it is understood that Seller and Buyer may, as each deems advisable and necessary, reasonably designate any competitively sensitive material provided to the other party under this Section 5.04 or any subsection thereof as “outside counsel only.” Such materials and the information contained therein shall be given only to the outside legal counsel of the recipient and will not be disclosed by such outside counsel to employees, officers, or directors of the recipient unless express permission is obtained in advance from the source of the materials (Seller or Buyer, as the case may be) or its legal counsel; provided, further, that materials provided pursuant to this Section 5.04 or any subsection thereof may, to the extent permitted by Law or the Governmental Entity, be redacted (i) to remove references concerning the valuation of the transactions contemplated hereby, (ii) as necessary to comply with contractual arrangements with third parties and (iii) as necessary to address reasonable privilege concerns. The parties hereto agree to treat information protected from disclosure under the attorney-client privilege, work product doctrine, joint defense privilege or any other privilege pursuant to this Section 5.04 in a manner so as to preserve the applicable privilege.
Section 5.05  Publicity. The initial press release regarding this Agreement and the Transactions shall be a joint press release and is set forth herein as Exhibit H. Buyer and Seller shall use reasonable best efforts to develop a joint communications plan and each party shall use reasonable best efforts to ensure that all press releases and other public statements with respect to the Transactions, to the extent they have not been previously issued or disclosed, shall be consistent with such joint communications plan. Unless otherwise required by applicable Law or by obligations pursuant to any listing agreement with or rules of any securities exchange, each party hereto shall consult with each other before issuing any press release or public statement with respect to the Transactions and shall not issue any such press release or public statement prior to such consultation. In addition to the foregoing, neither Seller nor Buyer shall issue any press release or otherwise make any public statement or disclosure concerning the other party or the other party’s business, financial condition or results of operations, to the extent not previously disclosed, without the consent of the other party, which consent shall not be unreasonably withheld, conditioned or delayed.

Section 5.06  Buyer Ordinary Share Listing.

(a)  Buyer shall use reasonable best efforts to cause (i) the Buyer Ordinary Shares, represented by American depositary shares (the “American Depository Shares”) to be registered under the U.S. Securities Exchange Act of 1934 (the “Exchange Act”), (ii) the American Depository Shares, evidenced by American depository receipts issued upon deposit of Buyer Ordinary Shares, to be registered under the Securities Act, and (iii) the American Depository Shares to be listed on the New York Stock Exchange effective as of the earlier of (A) the date, not earlier than the Closing Date, specified by Seller to Buyer upon 90 days’ prior written notice, in the event that Seller shall have entered into an agreement with respect to, or consummated, an Acquisition Proposal, and (B) the earliest date practicable following the Closing and not later than 90 days thereafter; provided that to the extent the Required Financial Information is required to register the applicable shares and Buyer has not received from Seller the Required Financial Information at least 90 days prior to the date specified in clause (A) or (B) above, as applicable, Buyer shall only be obligated to cause the listing and registration of the Buyer Ordinary Shares and the American Depositary Shares within 90 days of receipt of such Required Financial Information.

(b)  Seller agrees to provide all information related to the Business (which, for the avoidance of doubt, may be carve-out financial statements) reasonably requested by Buyer in connection with such registrations and listing, including any financial information of the Business necessary (i) to produce historical financial statements of the Business in accordance with Article 3-05 of Regulation S-X under the Exchange Act and pro forma financial statements in accordance with Article 11 of Regulation S-X under the Exchange Act and (ii) in order to have the registration statement related to the registration of the Buyer Ordinary Shares be declared effective by the SEC (the “Required Financial Information”). In order to ensure that the financial information required under Article 3-05 of Regulation S-X under the Exchange Act is available to Buyer, Seller agrees that, within 30 days of the date of this Agreement, the independent accounting firm of Seller, or at Seller’s election, another Big Four Accounting Firm, shall commence an audit of the financial statements of the Business for the years ended December 31, 2013, 2014, and 2015 in accordance with the rules and regulations of the SEC and
shall use commercially reasonable efforts to have such audit completed within four (4) months of commencement of such audit and in any event prior to Closing.

(c) If Seller in good faith reasonably believes that it has provided the Required Financial Information to Buyer, Seller may deliver to Buyer a written notice to that effect, in which case Seller shall be deemed to have provided the Required Financial Information, unless Buyer in good faith reasonably believes that Seller has not completed delivery of the Required Financial Information at the time such notice is delivered and, no later than the third (3rd) Business Day after delivery of such notice by Seller, Buyer gives written notice to Seller stating the specific Required Financial Information that has not been delivered and requesting such additional information as Buyer reasonably believes is necessary to complete the Required Financial Information. Buyer shall be entitled to send one such written notice requesting specific additional information, and when all such requested additional information is delivered by Seller, for the purposes of Section 5.06(a) only, the Required Financial Information shall be deemed to have been delivered.

Section 5.07 Acquisition Proposals.

(a) Seller shall keep Buyer reasonably informed regarding any Acquisition Proposal received by or any information related to an Acquisition Proposal requested from it or any of its Representatives, including regarding the identity of such Person making the Acquisition Proposal, the terms and conditions of any such Acquisition Proposal or request for information and the status of negotiations with respect to such Acquisition Proposal, in each case, material to the consummation of the Transactions, and in any event Seller shall provide written notice to Buyer of the initial receipt of any written Acquisition Proposal within 48 hours of such event.

(b) Seller shall only enter into any Acquisition Proposal if:

(i) the definitive agreements providing for such Acquisition Proposal do not prohibit the consummation of the Transactions in accordance with the terms and conditions set forth in this Agreement, and

(ii) in the event that the Closing Date occurs, or is reasonably expected to occur, after the consummation of such Acquisition Proposal, Buyer and Seller jointly select a third party escrow agent (the “Seller Change of Control Escrow Agent”) and, prior to completion of the Acquisition Proposal, jointly agree an escrow agreement (the “Seller Change of Control Escrow Agreement”) that contemplates the Share Consideration (which, in accordance with its terms, shall be converted to Buyer Ordinary Shares) to be delivered by Buyer, on behalf of Seller, to the Seller Change of Control Escrow Agent within one (1) Business Day of the Closing Date in satisfaction of its obligations under Section 3.02(c) to be held on a non-voting basis for the benefit of the stockholders of Seller existing immediately prior to consummation of the Acquisition Proposal (excluding such Person making the Acquisition Proposal), and, upon the registration and listing of the Buyer Ordinary Shares pursuant to Section 5.06, to be distributed to the stockholders of Seller existing immediately prior to consummation of the Acquisition Proposal.
Section 5.08  Further Actions.

(a) Subject to the terms and conditions hereof, Seller and Buyer shall, and Seller shall cause its Subsidiaries to use their reasonable best efforts to, (i) take or cause to be taken all appropriate action, to do or cause to be done all things necessary, proper or advisable under applicable Law and to execute and deliver such agreements, documents and other papers, as may be required to carry out the provisions hereof and consummate the Transactions and (ii) refrain from taking any actions that would reasonably be expected to impair, delay or impede the Closing.

(b) From time to time after the Closing, without additional consideration (except as set forth in this Agreement), each Party will (or, if appropriate, will cause its Subsidiaries to) execute and deliver such further instruments and take such other action as may be necessary or reasonably requested by another party to make effective the Transactions. Without limiting the foregoing, upon reasonable request of Buyer, Seller shall, and shall cause its Subsidiaries to, execute, acknowledge and deliver all such further assurances, deeds, assignments, consequences, powers of attorney and other instruments and papers as may be required to sell, transfer, assign, convey and deliver to Buyer all right, title and interest in and to the MHPS Shares and the Acquired Assets.

Section 5.09  Confidentiality. For a period of three years following the Closing, Seller and each of its Subsidiaries shall treat as confidential and shall safeguard any and all confidential or proprietary information, knowledge and data about the Business by using the same degree of care, but no less than a reasonable standard of care, to prevent the unauthorized use, dissemination or disclosure of such information, knowledge and data as Seller or its Subsidiaries used with respect thereto prior to the execution of this Agreement; provided that nothing in this Section 5.09 shall limit the disclosure by Seller or any of its Subsidiaries of any information (a) to the extent required by Law or judicial process, (b) in connection with any litigation to which Seller or any of its Subsidiaries is a party, (c) in an Action brought by Seller in pursuit of its rights or in the exercise of its remedies under this Agreement, and (d) to the extent that such information is publicly available through no action omission of Seller or its Subsidiaries.

Section 5.10  Non-Competition.

(a) Except (i) as contemplated by the Transaction Agreements, (ii) the direct or indirect ownership of less than 10% of the outstanding voting Equity Interests of any Person which is listed on a recognized stock exchange and which Participates in a Competing Business, (iii) hereinafter acquiring (including by way of merger or other business combination) and continuing to own a Person that Participates in a Competing Business that accounts for 15% or less of such acquired Person’s consolidated revenues at the time of such acquisition, (iv) the sale (including by way of merger or other business combination) of any Restricted Party to any Person (that is not an Affiliate of Seller) that Participates in a Competing Business, and (v) the Participation in any Competing Business by any Person (and its Affiliates) that completes an Acquisition Proposal (with references to “50%” in the definition of “Acquisition Proposal” to be deemed a reference to “10%”) with Seller (or any of its Subsidiaries) other than through a Restricted Party (before giving effect to such transaction), for a period of two (2) years following the Closing (the “Restricted Period”), Seller shall not, and shall cause its Affiliates not to
(Seller and its Affiliates, the “Restricted Parties”), directly or indirectly, engage in, own, manage, operate, join, control, lend money or other assistance to, or participate in or be connected with, as an officer, director, employee, partner, shareholder, consultant, manager, agent or otherwise (collectively, “Participation”), any individual, corporation, partnership, firm, other company, business organization, activity, entity or Person that provides and/or markets any of the same or similar products or services as Buyer (together with its Subsidiaries) provides and/or markets as of and giving effect to the Closing (a “Competing Business”). The geographic scope for the restriction set forth in this Section 5.10(a) shall be worldwide, which is the geographic scope of the businesses of Buyer.

(b) Seller hereby acknowledges and agrees that the restrictive period of time, geographic scope and scope of restricted activity specified herein are reasonable and necessary in view of the Transactions and the nature of the businesses in which Buyer is engaged. Seller acknowledges and agrees that Buyer would not have entered into this Agreement but for Seller’s agreements and obligations pursuant to this Section 5.10. If the scope of any stated restriction is too broad to permit enforcement of such restriction(s) to its full extent, then Seller agrees that such restriction shall be enforced and/or modified to the maximum extent permitted by Law. Seller agrees that in the event of a breach of this Section 5.10, the Restricted Period (for purposes of this Section 5.10 and only with respect to the breaching party) shall be extended with respect to the breaching party by the period of the breach.

Section 5.11 Non-Solicitation. During the Restricted Period, each Party shall not, and shall cause its Subsidiaries not to, directly or indirectly:

(a) solicit, cause, induce or attempt to solicit, cause or induce any customer, supplier, licensee, licensor, franchisee, employee, consultant or other Person who is a business relation of the other Party or any of its Subsidiaries as of and giving effect to the Closing to (i) cease doing business with the other Party or any of its Subsidiaries, (ii) to engage in business with any competitor of the other Party or any of its Subsidiaries (but solely with respect to a Competing Business) or (iii) materially and adversely interfere with the relationship between any such customer, supplier, licensee, licensor, franchisee, employee, consultant or business relation of the other Party or any of its Subsidiaries; or

(b) solicit for employment or attempt to solicit otherwise, endeavor to entice away from the other Party or any of its Subsidiaries, hire or retain any Person who is a director, officer, employee, full-time consultant or contractor, agent or other personnel of the other Party or any of its Subsidiaries (“Restricted Personnel”) as of the Closing or during the Restricted Period.

(c) Notwithstanding the foregoing, this Section 5.11 shall not prohibit either Party or its Affiliates from (i) soliciting any Restricted Personnel of the other Party through a general advertisement not targeted at such Restricted Personnel, (ii) hiring or retaining any Restricted Personnel that respond to any such general advertisement, or (iii) soliciting, hiring or retaining any Person that has not served as a director, officer, employee, consultant, contract, agent or as other personnel of the other Party for at least six (6) months prior to such solicitation or employment.
(d) Each Party hereby acknowledges and agrees that the restrictive period of
time, geographic scope and scope of restricted activity specified herein are reasonable and
necessary in view of the Transactions and the nature of the business in which each Party is
engaged. Each Party acknowledges and agrees that the other would not have entered into this
Agreement but for such Party’s agreements and obligations pursuant to this Section 5.11. If the
scope of any stated restriction is too broad to permit enforcement of such restriction(s) to its full
extent, then the Parties agree that such restriction shall be enforced and/or modified to the
maximum extent permitted by law. The Parties agree that, in the event of a breach of this Section
5.11, the Restricted Period (for purposes of this Section 5.11 and only with respect to the
breaching party) shall be extended with respect to the breaching party by the period of the
breach.

Section 5.12 Wrong Pocket Assets and Liabilities.

(a) If, within twelve (12) months following the Closing, any person discovers
that any right, title or interest in any asset either (x) to the extent primarily used in the Business
as of the date hereof or the Closing that is not owned by a Group Company or (y) to the extent
primarily used in the business of Seller and its Affiliates other than the Business as of the date
hereof or the Closing (a “Wrong Pocket Asset”) is not held by, or a liability (a “Wrong Pocket
Liability”) was not assumed by, the appropriate person (the “Right Pocket”, and the person
holding such Wrong Pocket Asset or Wrong Pocket Liability, the “Wrong Pocket”), except as a
result of a transaction occurring after the Closing consented to by the Right Pocket or as
contemplated by this Agreement:

(i) The Parties shall cause any of their Affiliates holding such right,
title or interest in a Wrong Pocket Asset to transfer as promptly as reasonably practicable such
Wrong Pocket Asset to the Right Pocket for no additional consideration;

(ii) The Parties shall cause the Wrong Pocket to hold its right, title
and interest in and to the Wrong Pocket Asset in trust for the Right Pocket until such time as
the transfer is completed; and

(iii) The Parties shall cause the Right Pocket to assume from the
Wrong Pocket as promptly as reasonably practicable any Wrong Pocket Liability for no
additional consideration.

(b) All costs and expenses arising out of compliance with such transfers shall
be allocated to the parties as though such transfers had been completed as of the Closing in
accordance with this Agreement.

(c) The Parties shall cause the Right Pocket to cooperate with the Wrong
Pocket in connection with the transfers contemplated by this Section 5.12.

(d) For purposes of this Section 5.12, Buyer is the Right Pocket for the
Acquired Assets and the Assumed Liabilities and Seller and its Affiliates (other than the Group
Companies) are the Right Pocket for all Excluded Assets and Excluded Liabilities.

Section 5.13 Access to Information.
(a) Subject to applicable Law relating to the sharing of information, upon reasonable notice, and except as may otherwise be required by applicable Law, Seller shall (and shall cause its Subsidiaries to) afford the Buyer’s Representatives reasonable access, during normal business hours throughout the period prior to the Effective Time, to its properties, books, contracts and records and, during such period, Seller shall (and shall cause its Subsidiaries to) furnish promptly to Buyer’s Representatives all information concerning the Business and its properties and personnel as may reasonably be requested by Buyer; provided that no investigation pursuant to this Section 5.13(a) shall affect or be deemed to modify any representation or warranty made by Seller; provided, further, that (i) Buyer shall reimburse Seller for all reasonable out-of-pocket costs incurred in connection with any such request; (ii) any such access rights shall be exercised in such manner as not to interfere unreasonably with the conduct of the business of Seller and its Subsidiaries; and (iii) the foregoing shall not require Seller (1) to permit any inspection, or to disclose any information, that in the reasonable judgment of Seller, would result in the disclosure of any trade secrets of third parties or violate any of its obligations with respect to confidentiality or (2) to disclose any privileged information of Seller or any of its Subsidiaries provided that, in either such case, Seller shall use its reasonable best efforts to provide for an arrangement that permits the exchange of such information, such as a joint defense or similar arrangement. All requests for information made pursuant to this Section 5.13(a) shall be directed to an executive officer of Seller or such Person as may be designated by Seller’s executive officers, with a copy to the General Counsel of Seller. All such information shall be governed by the terms of the Confidentiality Agreement.

(b) Subject to applicable Law relating to the sharing of information, as the Seller may reasonably require in connection with any audit, investigation, dispute or litigation or any other reasonable business purpose, upon reasonable notice, and except as may otherwise be required by applicable Law, Buyer shall (and shall cause its Subsidiaries to) afford the Seller’s Representatives reasonable access, during normal business hours for a period of seven (7) years after the Closing Date, to (including the right to make, at Seller’s expense, photocopies of) the properties, books, contracts and records of the Business, subject to the Seller’s Representatives entering into reasonable confidentiality obligations, provided that (i) Seller shall reimburse the Buyer for all reasonable out-of-pocket costs incurred in connection with any such request; (ii) any such access rights shall be exercised in such manner as not to interfere unreasonably with the conduct of the business of Buyer and its Subsidiaries; and (iii) the foregoing shall not require Buyer (1) to permit any inspection, or to disclose any information, that in the reasonable judgment of Buyer, would result in the disclosure of any trade secrets of third parties or violate any of its obligations with respect to confidentiality or (2) to disclose any privileged information of Buyer or any of its Subsidiaries provided that, in either such case, Buyer shall use its reasonable best efforts to provide for an arrangement that permits the exchange of such information, such as a joint defense or similar arrangement. Buyer and its Affiliates shall not destroy or dispose of any of the books and records of the Business existing as of the Closing Date for a period of seven (7) years after the Closing Date or such longer time as may be required by applicable Law and thereafter, if it desires to destroy or dispose of such books and records, to offer first in writing to surrender them to Seller.

Section 5.14 Pre-Closing Reorganization.
(a) Within ninety (90) days following the date of this Agreement, Seller shall prepare, in good faith and in consultation with Buyer (including by incorporating any suggestions from Buyer that would not adversely affect Seller or any of its Affiliates), and deliver to Buyer a draft plan describing, in reasonable detail, the reorganization steps it plans to undertake to implement the Pre-Closing Reorganization, including, if necessary, by adding or removing entities from Section 1.01 of the Seller Disclosure Letter and Schedule 1 (the “Pre-Closing Reorganization Plan”). Buyer shall then have forty-five (45) days to review such draft Pre-Closing Reorganization Plan, during which time Buyer may review and comment on the draft Pre-Closing Reorganization Plan. Seller shall consider in good faith Buyer’s comments and must incorporate into the Pre-Closing Reorganization Plan any reasonable requests of Buyer (i) that would avoid any adverse Tax consequences to Buyer and would not adversely affect Seller or any of its Affiliates, and (ii) in all other cases, only if Buyer agrees to indemnify Seller for, and pays Seller at Closing or at termination of this Agreement, an amount equal to the aggregate amount of the documented Losses (including Taxes and the use of Tax attributes), on a grossed-up basis, that result to Seller and its Affiliates from accommodating such request. Within thirty (30) days following the end of such review period, Seller shall provide to Buyer a copy of the final Pre-Closing Reorganization Plan. Seller shall cause the Pre-Closing Reorganization to be completed in accordance with the final Pre-Closing Reorganization Plan by no later than the fifth (5th) Business Day prior to the Closing. Notwithstanding the foregoing, if Seller identifies external requirements or considerations necessitating or making desirable an expedited review and implementation of any of the steps contemplated by Seller’s working draft of the Pre-Closing Reorganization Plan, Seller may implement such steps as soon as reasonably necessary or desirable, provided that Seller has (i) described such external requirements or considerations to Buyer, (ii) given Buyer a reasonable opportunity to review and comment on the portion of the Pre-Closing Reorganization Plan that relates to such steps, (iii) consulted with Buyer in good faith regarding such steps, and (iv) incorporated into the portion of the Pre-Closing Reorganization Plan that relates to such steps any suggestions from Buyer that would not adversely affect Seller or any of its Affiliates.

(b) At or prior to the Closing, Seller shall (i) form a new entity in the Swiss Confederation (“DeMag JV”) by filing formation documents in form reasonably agreed upon by Buyer and Seller, (ii) enter into with Buyer an operating agreement with respect to DeMag JV in a form reasonably agreed upon by Buyer and Seller in accordance with the principles set forth in Section 5.14(b) of the Buyer Disclosure Letter and (iii) contribute, or cause to be contributed, to DeMag JV the Demag Trademarks pursuant to a contribution agreement with DeMag JV in form reasonably agreed upon by Buyer and Seller (it being agreed and acknowledged that such agreement will not contain any representations, warranties or indemnities by any party thereto). Buyer and Seller shall cause DeMag JV at Closing to (i) grant to Buyer a license for the use of the Demag Trademarks, pursuant to a license agreement incorporating the terms set forth in Section 5.14(b) of the Buyer Disclosure Letter (the “Kappa Demag License Agreement”) and (ii) grant to Seller a license for the use of the Demag Trademarks, pursuant to a license agreement incorporating the terms set forth in Section 5.14(b) of the Buyer Disclosure Letter (the “Theta Demag License Agreement”) (the transactions described in this Section 5.14(b), collectively, the “DeMag JV Arrangements”). For purposes of this Agreement, “Demag Trademarks” means all rights throughout the world in the name, trademark and service mark “Demag” and any variation thereof (including any foreign equivalent, translation or transliteration thereof) or name or mark containing “Demag” (including all applications and
registrations therefor, associated logos, stylizations and trade dress, all Internet domain names and all goodwill therein) owned by Seller and its Affiliates.

(c) Subject to Section 5.14(a) in all respects, Seller shall incorporate into the Pre-Closing Reorganization Plan any reasonable requests of Buyer regarding transferring the Transferred Intellectual Property to a designated Subsidiary of Buyer at Closing.

Section 5.15 Transition Assistance.

(a) Seller shall, and shall cause its Subsidiaries to, use commercially reasonable efforts to assist in the transition of the Business, records, customers and operations (including IT) at Closing to Buyer as reasonably requested by Buyer between the date hereof and the Closing in furtherance of the consummation of the transactions contemplated by this Agreement (such assistance, the “Transition Assistance”). Prior to Closing, Buyer and Seller shall each bear their own expenses incurred in respect of such Transition Assistance; provided that Buyer shall promptly reimburse Seller for the costs of third party consultants, contractors and advisors in connection with the Transition Assistance provided during such period.

(b) From and after Closing, Seller shall use commercially reasonable efforts to assist the Buyer in connection with the Buyer’s preparation and audit of any financial statements of the Business or the Buyer that the Buyer determines, in its reasonable discretion, are required or advisable under applicable laws (including applicable securities laws and regulations) in connection with the Buyer’s acquisition of the Business (the “Financial Statement Assistance”). As part of the Financial Statement Assistance (and without limiting the generality of the foregoing), the Seller shall use commercially reasonable efforts to (a) cause its accountants to be available to the Buyer (upon reasonable prior notice and at mutually agreeable times and at no cost to the Buyer) to respond to questions and information requests, and participate in interview sessions, to the extent reasonably necessary in connection with the Buyer’s preparation and audit of any such financial statements and (b) cause its manager, officers and other agents to execute and deliver any and all management representation letters and other certificates as may reasonably be requested by the Buyer or its accountants in connection with the preparation and/or audit of any such financial statements. Buyer will pay or, if paid, promptly reimburse the Seller, following invoice from the Seller, for any reasonable out-of-pocket and overhead costs incurred by such Seller in complying with the provisions of this Section 5.15(b).

(c) As soon as reasonably practicable and regularly from time to time during the ninety (90) day period following the date hereof, Buyer and Seller shall confer and negotiate in good faith to reach agreement on a definitive form of the Services Schedule (as defined in the Transition Services Agreement), which shall provide additional detail in the description of the Services (as defined in the Transition Services Agreement) and the calculation of the fees relating thereto, in accordance with the Transition Services Agreement attached to Exhibit E to this Agreement; provided, however, that any in the event Seller is required to pay any licensing fees in connection with Seller providing any IT related services to Buyer under the Transition Services Agreement, Buyer agrees that Buyer shall be responsible for reimbursing Seller for all such amounts. The definitive Transition Services Agreement entered into at the Closing shall
incorporate the Services Schedule as mutually agreed by Buyer and Seller in accordance with this Section 5.15(c).

Section 5.16 Customer Communications. Seller and Buyer shall cooperate in developing communications materials and notices primarily relating to the Transaction to be sent to customers of the Business on or after the date hereof and prior to the Closing. Neither Party shall, and shall cause its Subsidiaries not to, send any communications or notices relating to the Transaction to customers of the Business on or after the date hereof and prior to the Closing without the prior written approval of the other Party, not to be unreasonably withheld or delayed.

Section 5.17 Resignations. Unless otherwise requested by Buyer, Seller shall use its reasonable best efforts to cause each director of each Transferred Company or any officer or director of any Group Company to resign in such capacity other than individuals who will continue to act as full time employees of the Group Companies after the Closing and directors representing works councils or labor unions, such resignations to be effective as of the Closing.

Section 5.18 Employee Matters.

(a) Prior to the Closing, Buyer shall (i) make offers of employment on an at-will basis to each Business Employee employed in the United States who is not a Group Company Employee (including those on short term disability or who are not actively at work but have a right to return to employment with the Company or one of its Affiliates), with such offers to be effective as of the Closing (or upon the employee’s return to work if he is not actively at work at the time of the Closing), (ii) continue to employ (where employment continues automatically by operation of Law or where employer substitution or similar transfer method is possible under applicable Law) each Business Employee employed outside of the United States who is not a Group Company Employee (including those on short term disability or who are not actively at work but have a right to return to employment with the Company or one of its Affiliates), effective as of the Closing Date (or upon the employee's return to work if he is not actively at work at the time of the Closing), (iii) make offers of employment to (where employment does not continue automatically by operation of law or where employer substitution or similar transfer method is not possible under applicable Law) each Business Employee employed outside of the United States who is not a Group Company Employee (including those on short term disability or who are not actively at work but have a right to return to employment with the Company or one of its Affiliates), with such offers to be effective as of the Closing (or upon the employee's return to work if he is not actively at work at the time of the Closing) (each offer described in (i) and (iii), an “Employment Offer”); provided, however, that Buyer shall in no event be obligated to make an Employment Offer to any Business Employee who is on long-term disability leave as of immediately prior to the Closing if they do not have a right to return to employment with the Company or one of its Affiliates. Each Employment Offer shall be (i) at a compensation level (other than equity compensation) and with employee benefits that are substantially comparable, in the aggregate, to the compensation (other than equity compensation) and employee benefits as were paid or provided to such Business Employee immediately prior to Closing, and (ii) made in accordance with applicable Law. For the avoidance of doubt, Buyer shall not be required to assume any equity compensation plan (including any long-term incentive plan) in which any Business Employee participates.
(b) Each Business Employee who accepts Buyer’s offer of employment shall, as of the Closing Date or, with respect to any Business Employee on a leave of absence or otherwise has a right to return to employment, as of the date such Business Employee commences active employment with Buyer and each Business Employee who continues in employment by operation of law in accordance with Section 5.18(a)(i) shall become an employee of Buyer (each such Business Employee and each Group Company Employee, a "Continuing Employee"). Notwithstanding the foregoing, nothing contained herein shall (i) be treated as an amendment of any particular compensation and benefit plan provided by Buyer, its Subsidiaries or the Group Companies, (ii) give any third party any right to enforce the provisions of this Section 5.18, or (iii) obligate Buyer or any Group Company to (A) maintain any particular compensation and benefit plan provided by Buyer, its Subsidiaries or the Group Companies or (B) retain the employment of any particular employee.

(c) With respect to any “employee benefit plan,” as defined in Section 3(3) of ERISA, maintained by Buyer or any of its Subsidiaries, including the Group Companies, in which any Continuing Employee becomes a participant, Buyer shall and shall use its reasonable best efforts to cause its third party insurers to provide that the Continuing Employees shall receive full credit for service with Seller or any of its Subsidiaries for purposes of eligibility to participate, vesting and determination of benefits under severance and vacation pay plans, to the same extent that such service was recognized as of the Closing under a comparable Seller Plan in which the Continuing Employee participated (but not for purposes of benefit accrual to the extent such credit would result in a duplication of benefits). Buyer shall (and shall use its reasonable best efforts to cause its third party insurers to) (i) waive, or cause to be waived, any pre-existing condition limitations, exclusions, actively-at-work requirements and waiting periods under any welfare benefit plan maintained by Buyer or any of its Subsidiaries in which the Continuing Employees (and their eligible dependents) are eligible to participate from and after the Closing to the extent that such pre-existing condition limitations, exclusions, actively-at-work requirements and waiting periods were satisfied or waived under the comparable Seller Plan in which the Continuing Employees participated and (ii) cause any health benefit plan of Buyer or its Subsidiaries in which the Continuing Employees participate after the Closing to recognize the dollar amount of all co-payments, deductibles and similar expenses incurred by such Continuing Employee (and his or her eligible dependents) during the calendar year in which the Closing occurs for purposes of satisfying deductible and co-payment limitations for such year under the relevant welfare benefit plans in which such Continuing Employee (and dependents) participates following the Closing.

(d) Effective as of the Closing, the Continuing Employees shall cease active participation in the Employee Plans (the “Retained Welfare Plans”) providing welfare benefits that are maintained by Seller or any of its Affiliates (other than MHPS Employee Plans). With respect to any Retained Welfare Plans, Seller shall remain liable for all eligible claims for benefits under the plan that are incurred by the Continuing Employees prior to the Closing. For purposes of this Section 5.18(d), a claim is deemed to have been incurred (i) with respect to claims for life, accidental death and dismemberment and short-term disability benefits, on the occurrence of event giving rise to such benefits, (ii) with respect to long-term disability benefits, on the date on which the relevant individual satisfied the eligibility requirements for the commencement of the long-term disability benefits (regardless of whether the claim was approved before or after the Closing) and (iii) on the date on which the charge or expense giving
rise to such claim is incurred (without regard to the date of inception of the related illness or injury or the date of the submission of the claim related thereto) in the case of all other claims. Buyer shall be liable for all claims incurred by Continuing Employees on or after the Closing.

(e) Prior to making any written or material oral communications to the Business Employees pertaining to the effect of the Transaction on compensation or benefit matters, the Seller shall, and shall cause the Group Companies to, provide Buyer with a copy of the intended communication, Buyer shall have a reasonable period of time to review and comment on the communication and Buyer and the Seller shall cooperate in providing any such mutually agreeable communication.

(f) Seller shall, effective as of the Closing Date, cease all contributions in respect of each Continuing Employee in Seller’s defined contribution plans in which such individual is then participating. Such defined contribution plans that are individual account plans are set forth on Schedule 4.02(m)(i) (“Seller’s Savings Programs”). As of the Closing Date, Buyer or one of its Subsidiaries shall have in effect one or more defined contribution plans that includes a qualified cash or deferred arrangement within the meaning of Section 401(k) of the Code (“Buyer’s 401(k) Plan”). As soon as practicable following the Closing Date, to the extent elected by a Continuing Employee and permitted by Buyer’s 401(k) Plan, Seller agrees to cause the Seller’s Savings Programs to transfer to Buyer’s 401(k) Plan, and Buyer agrees to cause Buyer’s 401(k) Plan to accept eligible rollover distributions within the meaning of Section 402(c)(4) of the Code of Continuing Employees’ account balances (including the in-kind rollover of notes evidencing outstanding Plan loans) under Seller’s Savings Programs as of the valuation date next preceding the date of transfer; provided, that if Buyer’s 401(k) Plan does not permit such transfer, Buyer agrees to use its commercially reasonable efforts to cause Buyer’s 401(k) Plan to accept such eligible rollover distributions. Buyer and Seller shall cooperate to take any and all commercially reasonable actions needed to permit each Continuing Employee with an outstanding loan balance under the Seller’s Savings Programs as of the Closing Date to continue to make scheduled loan payments to the Seller's Savings Programs after the Closing Date, pending the distribution and in-kind rollover of the note evidencing such loan from the Seller Savings Programs to the Buyer's 401(k) Plan, so as to prevent, to the extent reasonably possible, a deemed distribution or loan offset with respect to such outstanding loan.

(g) Buyer shall assume the liability arising under COBRA with respect to Business Employees who become M&A Qualified Beneficiaries (as that term is defined in 26 C.F.R. Section 54.4980B-9 Q & A 4).

(h) Buyer’s workers’ compensation program shall be responsible for all claims for benefits which are incurred on or after the Closing Date by participating Continuing Employees. Seller’s workers’ compensation program shall be responsible for all claims for benefits which are incurred prior to the Closing Date by participating Continuing Employees.

(i) As legally or contractually required, Seller and its Subsidiaries, as applicable, shall provide notice to, enter into any consultation procedure with, and shall use reasonable efforts to have obtained required consent or opinion from any labor union, labor organization, works council or group of employees of Seller and its Subsidiaries in connection with the Transactions, and Seller shall, upon request of Buyer, promptly inform Buyer about the
status regarding any such consultations, consents or opinions, including discussions with employee representatives.

Section 5.19 Additional Covenants of Buyer. From the date of this Agreement until the Effective Time, unless Seller shall otherwise consent in writing (which consent shall not be unreasonably withheld, conditioned or delayed) or as expressly set forth in Section 5.19 of the Buyer Disclosure Letter or as otherwise expressly provided for or contemplated by this Agreement or as may be required by applicable Law, Buyer shall, and shall cause each of its Subsidiaries to, conduct its business in all material respects in the ordinary course and in a manner consistent with past practice, and shall use its commercially reasonable efforts to preserve intact its business organization and goodwill and relationships with all Governmental Entities, customers, employees, suppliers and others having business dealings with it, and maintain its current rights and franchises, in each case, consistent with past practice. In addition to and without limiting the generality of the foregoing, except as expressly set forth in Section 5.19 of the Buyer Disclosure Letter or as otherwise expressly provided for or contemplated by this Agreement or as required by applicable Law, from the date hereof until the Effective Time, without the prior written consent of Buyer (which consent shall not be unreasonably withheld, conditioned or delayed), Buyer shall not, and shall not permit any of its Subsidiaries to, directly or indirectly:

(a) amend or modify the Organizational Documents of Buyer;

(b) declare, set aside, make or pay any dividend or other distribution (whether in cash, stock or property) in respect of the Buyer Ordinary Shares or other Equity Interests of Buyer, other than the annual dividends payable by Buyer in respect of the Buyer Ordinary Shares, in an amount per share not to exceed its most recent annual per share dividend (but subject to any increase in the ordinary course of business in an amount required by applicable Law) and with the timing of such dividend to be consistent with past practice, or (ii) split, combine or reclassify, or issue, deliver, sell, grant, dispose of or subject to a Lien any Buyer Ordinary Shares or Equity Interests of Buyer or (iii) repurchase, redeem or otherwise acquire any Buyer Ordinary Shares or other Equity Interests of Buyer, other than acquisitions of Equity Interests of Buyer pursuant to any Buyer Benefit Plan as in effect on the date of this Agreement;

(c) acquire by merging or consolidating with, or by share exchange, or by purchase or by any other manner, any Person (other than a wholly owned Subsidiary of Buyer), except for acquisitions that (x) are entered into on an arm’s length basis, (y) the expected gross expenditures and commitments (including the amount of any indebtedness assumed) of which do not exceed, in the aggregate €145 million and (z) which are not reasonably likely, individually or in the aggregate, to prevent or materially delay the satisfaction of the conditions set forth in ARTICLE VI;

(d) sell, lease, license, subject to a Lien, encumber or otherwise surrender, relinquish or dispose of any material assets, property or rights, other than (i) sales of inventory in the ordinary course of business consistent with past practice, (ii) sales of assets, property or rights that generated, in the aggregate, net revenues not to exceed €45 million in 2015, or (iii) any transaction or series of transactions that would result in the sale of assets, property or rights that are primarily used or held for use in any business of Buyer and that had generated, in the
aggregate, net revenue not to exceed €45 million during the 2015 fiscal year, or (iv) transactions among Buyer and wholly owned Subsidiaries of Buyer;

(e) (i) make any loans, advances or capital contributions to, or investments in, any other Person other than (A) by Buyer or any wholly owned Subsidiary of Buyer to or in Buyer or any wholly owned Subsidiary of Buyer or (B) to employees for advancement of travel and related business expenses in the ordinary course of business consistent with past practice or (ii) create, incur, guarantee or assume any indebtedness, issuances of debt securities, guarantees, loans or advances that would result in the net indebtedness of Buyer and its Subsidiaries exceeding €400 million in the aggregate, excluding guarantees by Buyer or wholly owned Subsidiaries of Buyer of indebtedness of wholly owned Subsidiaries of Buyer or guarantees by Subsidiaries of Buyer of indebtedness of Buyer and guarantees by Buyer or its Subsidiaries entered into in the ordinary course of business;

(f) other than (i) as set forth in (x) Buyer’s current capital budget (a copy of which was made available to Seller prior to the date hereof) or (y) any subsequent annual capital budget that is prepared by Buyer in the ordinary course of business consistent with past practice and approved by the Buyer Board or (ii) in connection with the repair or replacement of the plant and equipment at the operating facilities of Buyer or any of its Subsidiaries in the ordinary course of business, make any capital expenditure in excess of €35 million in the aggregate;

(g) adopt or implement a plan of complete or partial liquidation or a dissolution, restructuring, recapitalization or other reorganization of Buyer;

(h) enter into any agreement to acquire another business or effect any transaction that is reasonably likely to result in the failure to satisfy the conditions set forth in Section 6.01(b) or Section 6.01(c); or

(i) authorize, resolve, agree or commit to do any of the foregoing.

Section 5.20 Buyer Ordinary Shares. During the period from the date hereof to the Closing, Seller shall not, and shall cause each of its Affiliates not to, directly or indirectly, alone or in concert with any other Person acquire, offer to acquire or agree to acquire Beneficial Ownership of any shares of Buyer Ordinary Shares.

Section 5.21 Notification of Certain Matters. Buyer and Seller shall promptly notify each other of (a) any notice or other communication received by such party or its Representatives from any Governmental Entity in connection with the Transactions or from any Person alleging that the consent of such Person is or may be required in connection with the Transactions, if the subject matter of such communication could be material to the Business or the prompt consummation of the Transactions, (b) any Action commenced or, to such Party’s knowledge, threatened against, relating to or involving or otherwise affecting such Party or any of its Subsidiaries which relates to or is reasonably expected to affect the prompt consummation of the Transactions, (c) the discovery of any fact or circumstance that, or the occurrence or non-occurrence of any event the occurrence or non-occurrence of which, has caused or would cause (i) a breach of that Party’s representations and warranties as of the date of this Agreement, or if such fact or circumstance arose after the date of this Agreement, such fact or circumstance would
(except as expressly contemplated by this Agreement) cause a breach of any such representation or warranty had such representation or warranty been made as of the time of discovery of any fact or circumstance or (ii) result in any of the Closing Conditions set forth in ARTICLE VI not being satisfied or satisfaction of those conditions being materially delayed, or (d) any material failure of Seller or Buyer, as the case may be, or any officer, director, employee, agent or Representative of Seller or Buyer, as applicable, to comply with any covenant, or agreement to be complied with under this Agreement; provided, however, that the delivery of any notice pursuant to this Section 5.21 shall not (i) cure any breach of, or non-compliance with, any other provision of this Agreement or (ii) limit the remedies available to the party receiving such notice; provided further, that failure to give prompt notice pursuant to this Section 5.21 shall not constitute a failure of a Closing Condition set forth in ARTICLE VI except to the extent that the underlying fact or circumstance not so notified would, standing alone, constitute such a failure.

Section 5.22 Removal of Excess Cash. Prior to the Closing, Seller shall, and shall cause its Affiliates to, use reasonable best efforts to remove, as of the Closing, all cash from the Group Companies in excess of $60,000,000.

Section 5.23 Tax Matters.

(a) Notwithstanding anything to the contrary in ARTICLE VIII, all transfer, sales, gross receipts, real estate, use, stamp, registration and other similar Taxes or fees resulting from the transactions contemplated by this Agreement (including any transactions described in Section 5.14(b)), plus any reasonable out-of-pocket costs associated with the preparing and filing of related Tax Returns (collectively, the “Transfer Taxes”) shall be borne equally by Buyer and Seller; provided, however, that any Transfer Taxes incurred in effecting the Pre-Closing Reorganization (excluding, for this purpose, any transactions described in Section 5.14(b)) shall be borne by Seller, other than any Transfer Taxes incurred in effecting any transactions for which Buyer has agreed to indemnify Seller pursuant to Section 5.14(a), which shall be borne by Buyer. The person required to do so by applicable Law shall prepare and timely file (or cause to be prepared and timely filed) any Tax Return required to be filed in respect of any Transfer Tax, and shall timely pay (or cause to be timely paid) to the applicable Tax Authorities such Transfer Tax (subject to prompt reimbursement for half of such Transfer Tax from the other Party).

(b) If, and only if, requested by Buyer, Buyer and Seller shall jointly make an election under Section 338(h)(10) of the Code (and any comparable provisions of state or local Tax Law) with respect to the purchase from a U.S. corporation of any Transferred Company that is a U.S. corporation on Form 8023 (or any successor form), with all attachments. In the event that such election is made pursuant to this Section 5.23(b), (A) Buyer and Seller shall cooperate with each other to take all actions necessary and appropriate (including filing such additional forms, returns, elections, schedules and other documents as may be required) to effect and preserve each timely election in accordance with the provisions of section 1.338(h)(10)-1 of the Treasury Regulations (or any comparable provisions of state or local Tax Law) or any successor provision, (B) Buyer, with the assistance and cooperation of Seller, shall prepare Form 8883 and all requisite attachments thereto (and all forms under analogous provisions of state or local Tax Law) in accordance with Tax Laws, (C) Buyer shall deliver such forms and attachments to Seller at least sixty (60) days prior to the due date for filing such election and Seller shall execute and return such completed forms and attachments to Buyer at least 45 days prior to the due date for
filing such election and (D) Buyer shall indemnify Seller, on a grossed-up basis, for any incremental costs (including the use of Tax attributes) resulting to Seller and its Affiliates from each such election.

(c) Except as permitted under Section 5.23(b), Buyer may not make or cause to be made any election under Section 338 of the Code with respect to the transactions contemplated hereunder.

(d) Seller shall prepare or cause to be prepared all Tax Returns for the Group Companies for any taxable year or period that ends on or before the Closing Date (each such period, a “Pre-Closing Period” and such Tax Returns, the “Pre-Closing Tax Returns”). Seller shall (i) use commercially reasonable efforts to submit each Pre-Closing Tax Return to Buyer for review and comment at least fifteen (15) days prior to its due date and (ii) revise such Pre-Closing Tax Return to reflect any timely comments requested by Buyer in good faith, provided such comments are consistent with past practice and applicable Law and do not adversely affect Seller. Buyer shall timely file, or cause to be timely filed, each Pre-Closing Tax Return as prepared by Seller in accordance with this Section 5.23(d) and shall remit, or cause to be timely remitted, any Taxes due in respect of such Pre-Closing Tax Return to the relevant Taxing Authority. Buyer shall prepare or cause to be prepared and file or cause to be filed all Tax Returns for the Group Companies for any taxable year or period beginning on or before, and ending after, the Closing Date (each such period, a “Straddle Period” and such Tax Returns, the “Straddle Tax Returns”). Buyer shall (A) use commercially reasonable efforts to submit each Straddle Tax Return to Seller for review and comment at least fifteen (15) days prior to its due date and (B) revise such Straddle Tax Return to reflect any timely comments requested by Seller in good faith, provided such comments (i) are consistent with past practice and applicable Law, and (ii) do not adversely affect Buyer or the Group Companies (or any Affiliates thereof) in any taxable year or period (or portion thereof) beginning after the Closing Date. Seller shall pay Buyer in immediately available funds, at least five (5) days before the due date of any Pre-Closing Tax Return or Straddle Tax Return, an amount equal to any Taxes for which Seller is obligated to indemnify the Buyer Indemnified Parties under Section 8.02. Buyer shall pay Seller in immediately available funds, at least five (5) days before the due date of any Straddle Tax Return, the amount (if any) by which (A) the sum of any Tax payments (including estimated tax payments) made prior to the Closing with respect to the relevant Straddle Period and any Liabilities included in the Net Working Capital with respect to such Straddle Period exceeds (B) the amount of Taxes allocated to the Pre-Closing Portion of such Straddle Period under Section 5.23(g).

(e) The parties hereto shall, to the extent permitted under applicable Tax Law, elect to treat the Closing Date as the last day of any taxable period of the Group Companies that includes the Closing Date; provided that no party shall be required to amend any articles of association, change any financial accounting period, or otherwise take any action other than solely for Tax purposes.

(f) The portion of any Taxes that are allocable to the Pre-Closing Portion of any Straddle Period shall be (x) in the case of real property, personal property and other similar Taxes deemed to be the amount of such Taxes due with respect to the entire Straddle Period multiplied by a fraction, the numerator of which is the number of calendar days in the Pre-
Closing Portion of the Straddle Period and the denominator of which is the number of calendar days in the entire Straddle Period and (y) in all other cases, determined on the basis of an interim closing of the books as of the Closing. For purposes of this Agreement, “Pre-Closing Portion” means, with respect to any Straddle Period, the portion of such Straddle Period that begins on the first day of such Straddle Period and ends on, and includes, the Closing Date.

(g) After the Closing, Buyer and Seller shall, upon request, (i) reasonably assist (and cause their respective Affiliates to reasonably assist) the other party in preparing and filing any Tax Returns that such other party is responsible for preparing, (ii) reasonably cooperate in preparing for any audits of, or disputes or other proceedings with, any Taxing Authority or with respect to any matters with respect to Taxes of or relating to the Group Companies and (iii) make available to the other party and to any Taxing Authority as reasonably requested in writing all information, records, and documents relating to Tax matters of or relating to the Group Companies. In addition, Seller and Buyer shall make themselves (and their respective employees) reasonably available, on a mutually convenient basis during normal working hours, to provide explanations of any documents or information provided under this Section 5.23(g). Each party shall keep any information obtained under this Section 5.23(g) confidential except (x) as may be necessary in connection with the filing of Tax Returns or the conduct of any Tax audit, dispute, contest or other similar proceeding or (y) with the consent of the other party.

(h) Seller and Buyer shall retain all Tax Returns, schedules and work papers and all material records or other documents or electronic data in their possession (or in the possession of their respective Affiliates) relating to Tax matters relevant to the Business for Pre-Closing Periods and Straddle Periods until the later of (i) the expiration of the statute of limitations of the taxable periods to which such Tax Returns and other documents relate, taking into account all extensions thereof, or (ii) six (6) years following the due date for such Tax Returns. Before Seller or Buyer disposes of any such documents in its possession (or in the possession of its respective Affiliates), the other party shall be given the opportunity, for thirty (30) days upon written notice, to remove and retain all or any part of such documents as such other party may select (at such other party's sole expense).

(i) After the Closing Date, Buyer shall notify Seller promptly without any undue delay of the commencement of any notice of Tax deficiency, proposed Tax adjustment, Tax assessment, Tax audit, Tax examination or other administrative or court proceeding, suit, dispute or other claim with respect to Taxes that, if resolved adversely to the taxpayer, would be grounds for a claim for indemnity pursuant to Section 8.02 hereof (a “Tax Claim”); provided, however, that a failure by Buyer to provide timely notice of a Tax Claim shall not entitle Seller to reduce the amount of the liability required to be paid pursuant to Section 8.02, except to the extent such delay actually prejudices Seller. Buyer shall deliver to Seller copies of all relevant notices and documents (including court papers) received by Buyer or an Affiliate of Buyer that relate to such Tax Claim. In the case of any Tax Claim relating solely to any Pre-Closing Period, Seller (at its sole cost and expense) shall have the right to control the conduct of such Tax Claim and shall have the right to settle such Tax Claim; provided, however, (i) that Buyer may fully participate in the conduct of such Tax Claim (at its own expense), (ii) Seller shall not settle, compromise or dispose of any Tax Claim in a manner that would adversely affect Buyer or the Group Companies (or any Affiliates thereof) after the Closing Date without Buyer’s prior written
consent (which shall not be unreasonably withheld, conditioned or delayed), and (iii) Seller shall keep Buyer fully and timely informed with respect to the status of such Tax Claim. In the case of any Tax Claim that Seller does not control, Seller may fully participate, at its own expense, in such Tax Claim, and Buyer (i) shall not settle such Tax Claim without the consent of Seller, which consent shall not be unreasonably withheld, conditioned or delayed and (ii) shall keep Seller reasonably informed with respect to the status of such Tax Claim.

(j) Notwithstanding anything to the contrary in this Agreement, Seller shall have no obligation to provide to any Person any right to access or review any consolidated Tax Return or work papers relating to the affiliated group of which Seller is the common parent, and neither Buyer nor any of its Affiliates shall have any rights to participate in or influence the conduct of any Tax Claim involving such affiliated group.

(k) Buyer shall not and shall cause its Affiliates not to amend, refile or otherwise modify any Tax Return relating in whole or in part to any Pre-Closing Period of any Group Company without Seller’s prior written consent, which may be withheld in Seller’s sole discretion.

(l) Buyer shall not and shall cause its Affiliates not to carry back to any Pre-Closing Period any operating losses, net operating losses, capital losses, income tax credits or similar income tax items arising in, resulting from, or generated in connection with a taxable period beginning after the Closing Date.

(m) On the last day of each financial quarter, Buyer shall pay or cause to be paid to Seller any Tax refunds and credits (including any interest included therein and less any reasonable out-of-pocket costs incurred in obtaining such refund or credit) that were both (i) claimed or requested by Buyer or an Affiliate thereof, or with respect to which Seller delivered a written request as contemplated by the last sentence of this Section 5.23(m), within the six (6) year period following the Closing, and (ii) received or applied by Buyer or an Affiliate thereof during such quarter in respect of or relating to any taxable period (or portion thereof) ending on or before the Closing Date of any Group Company or with respect to any Acquired Asset, except to the extent such refund or credit was specifically reflected on the Closing Balance Sheet. Subject to Section 5.23(l), Buyer shall (and shall cause its Affiliates to) use commercially reasonable efforts to claim or request any Tax refunds or credits to the extent requested in writing by Seller within the six (6) year period following the Closing.

(n) Seller shall prepare, or cause to be prepared, and shall deliver to Buyer no later than ninety (90) days after the Closing Date, a schedule of the accrued non-current Tax liabilities attributable to the Business as of the Effective Time (the “Closing Non-Current Tax Accrual Schedule”). The Closing Non-Current Tax Accrual Schedule (i) shall be prepared in accordance with U.S. GAAP using the accounting methods, policies, practices, procedures, judgments and estimation methodology used by Seller and the Business, as applicable, in the normal year-end closing process of the Business as reflected in Seller’s historical Hyperion accounts and applied consistent with past practice, (ii) shall otherwise be prepared in the same manner as the corresponding line items in the Financial Information, and (iii) shall exclude any liabilities incurred outside the ordinary course of business after the Reference Date.
Accountant shall resolve any disputes regarding the Closing Non-Current Tax Accrual Schedule subject to the procedures described in Section 2.07(b).

Section 5.24  Financing.

(a) Buyer shall use reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, advisable or proper to obtain the financing contemplated by the Commitment Letter on or prior to the Closing Date on the terms and conditions described in the Commitment Letter, including using reasonable best efforts to: (i) maintain in effect and enforce its rights under the Commitment Letter and comply with its obligations thereunder; provided, that the Commitment Letter may be amended, supplemented, modified and replaced as permitted by clause (b) of this Section 5.24; (ii) satisfy or obtain the waiver of on a timely basis (and in a manner that will not prevent, impair or delay the consummation of the Transactions) all conditions and covenants applicable to Buyer to the funding of the financing (including the Financing Conditions) set forth in the Commitment Letter and any definitive agreements to be executed in connection therewith and (iii) negotiate and enter into definitive agreements with respect thereto on the terms and conditions contemplated by the Commitment Letter (including, if necessary, any “flex” provisions). Buyer shall keep Seller informed on a regular basis and in reasonable detail of the status of its efforts to arrange the financing contemplated by the Commitment Letter and any other financing, shall provide Seller copies of documents related to such financing upon request and shall give Seller prompt notice of any fact, change, event or circumstance that could reasonably be expected to have, individually or in the aggregate, a material adverse impact with respect to the financing contemplated by the Commitment Letter including notice in writing of any breach or default by Buyer or to its knowledge any other party with respect to the Commitment Letter or any condition precedent to funding on the Closing or any material dispute between the parties to the Commitment Letter related to the Commitment Letter of which the Buyer becomes aware. In no event shall the receipt or availability of any funds or financing (including the financing contemplated by the Commitment Letter) by or to Buyer or any of their respective Affiliates or any other financing transaction be a condition to any of the obligations of Buyer hereunder.

(b) Prior to the Closing, Buyer shall not agree to or permit any termination, amendment, replacement, supplement or other modification of, or waive any of its rights under, the Commitment Letter without Sellers’s prior written consent.

(c) In the event that all or a portion of the financing contemplated by the Commitment Letter becomes unavailable on the terms contemplated in the Commitment Letter, Buyer shall use its reasonable best efforts to (i) arrange replacement financing, on terms that are not materially less favorable to Buyer, in the aggregate, than the terms contained in the Commitment Letter, from alternative sources as promptly as practicable in an amount sufficient, together with any cash held by Buyer, to consummate the Transactions and (ii) obtain new financing commitment and fee letters with respect to such replacement financing which shall be promptly provided to the Seller. Upon any amendment, replacement, supplement or modification permitted by Section 5.24(b) or Section 5.24(c), the term “Commitment Letter” shall mean the Commitment Letter as so amended, replaced, supplemented or modified.

Section 5.25  Financing Assistance.
Prior to the Closing, Seller agrees to provide, and shall cause its Subsidiaries to provide, and shall use its reasonable best efforts to cause its Representatives to provide, all customary cooperation (including with respect to timeliness) in connection with the arrangement of the financing contemplated by the Commitment Letter as may be reasonably requested by Buyer, including (i) participating in a reasonable number of meetings, presentations, road shows, drafting sessions, due diligence sessions and sessions with prospective lenders, investors and ratings agencies that are customary for financings of a type similar to the financing contemplated by the Commitment Letter; (ii) assisting in a commercially reasonable manner Buyer and the Financing Sources in the preparation of any lender presentations, bank information memoranda and similar documents reasonably requested by Buyer in connection with the financing contemplated by the Commitment Letter at times and locations mutually agreed; (iii) reasonably cooperating with the marketing efforts of Buyer and the Financing Sources for any of such financing contemplated by the Commitment Letter; (iv) assisting in the preparation of documents relating to the Financing, including any customary credit agreements, indentures and pledge and security documents and otherwise reasonably facilitating the granting of a security interest (and perfection thereof) in collateral, guarantees, other definitive financing documents or other certificates, customary closing certificates and documents as may be reasonably requested by Buyer and assisting in the negotiation of any such agreements and other documents; provided, that any obligations contained in all such agreements and documents shall be subject to the occurrence of the Closing and effective no earlier than the Closing; and (v) using reasonable best efforts to facilitate the obtaining of customary payoff letters, lien terminations and instruments of discharge to be delivered at and subject to the Closing providing for the payoff, discharge and termination on the Closing Date of all Indebtedness of the Business contemplated by this Agreement to be paid off, discharged and terminated on the Closing Date. Customary cooperation shall not include taking any actions that would unreasonably interfere with the ongoing business or operations of Seller and its Subsidiaries. Notwithstanding the foregoing, (v) none of Seller or its Subsidiaries shall be required to pay any fees or expenses or incur prior to the Effective Time any other liability or obligation in connection with the financings contemplated by the Commitment Letter, (w) none of Seller, its Subsidiaries or their respective officers, directors or employees shall be required to execute or enter into or perform any agreement with respect to the financing contemplated by the Commitment Letters that is not contingent upon the Closing or that would be effective prior to the Effective Time (and for the avoidance of doubt, the boards of directors or other equivalent governing bodies of Buyer shall enter into or provide any resolutions, consents, approvals or other closing arrangements on behalf of Seller and its Subsidiaries as may be required by the lenders pursuant to the Commitment Letter at, or as of, the Closing), (x) Seller shall not be required to make any representation, warranties or certifications as to which, after Seller’s use of reasonable best efforts to cause such representation, warranty or certification to be true, Seller has in its good faith determined that such representation, warranty or certification is not true, (y) Seller shall not be required to become subject to any obligations or liabilities with respect to such agreements or documents prior to the Closing, and (z) nothing shall obligate Seller or any of its Subsidiaries to provide, or cause to be provided, any legal opinion by its counsel, or to provide any information or take any action to the extent it would result in a violation of Law or loss of any privilege. For the avoidance of doubt, in no event shall Seller or any of its Subsidiaries be in breach of this Section 5.25(a) because of the failure to deliver, after use of reasonable best efforts to do so, any information that is not prepared in the ordinary course of the Seller’s business and operations at
the time requested by Buyer. Seller and its Representatives shall be given a reasonable opportunity to review and comment on any financing documents and any materials that are to be presented during any meetings conducted in connection with the financing contemplated by the Commitment Letter, and Buyer shall give due consideration to all reasonable additions, deletions or changes suggested thereto by Seller and its Representatives.

Whether or not the Closing occurs, Buyer shall, promptly upon written request by Seller, reimburse Seller and its Subsidiaries for all reasonable and documented out-of-pocket costs and expenses incurred by Seller or its Subsidiaries (including those of its accountants, consultants, legal counsel, agents and other Representatives) in connection with the cooperation required by Section 5.25(a).

Section 5.26 Indemnification of Directors and Officers. The certificate of incorporation, bylaws or other comparable organizational documents of each of the Group Companies shall contain provisions no less favorable with respect to indemnification that are set forth in such documents immediately prior to the Closing, which provisions shall not be amended, repealed or otherwise modified for a period of six (6) years after the Closing in any manner that would adversely affect the rights thereunder of individuals who at or prior to the Closing were present or former managers, members, directors, officers, employees or agents of the Group Companies (the “D&O Indemnified Parties”) related to service prior to the Closing. Buyer shall cause to be maintained in effect for six (6) years after the Closing the current policies of the directors’ and officers’ liability insurance maintained by the Group Companies with respect to matters occurring prior to the Closing; provided that Buyer may substitute therefor policies of at least the same coverage containing terms and conditions that are not less favorable than the existing policies (including with respect to the period covered). of being satisfied by the Termination Date unless breach or failure is reasonably capable of being cured and is cured by Buyer within forty-five (45) days following written notice from Seller to Buyer regarding such breach or inaccuracy; provided, however, that Seller is not then in material breach of this Agreement.

(c) by Buyer, if Seller shall have breached any representation or warranty or failed to comply with any covenant or agreement applicable to Seller that would cause any Closing Condition set forth in ARTICLE VI not to be satisfied, and such Closing Condition is incapable of being satisfied by the Termination Date unless breach or failure is reasonably capable of being cured and is cured by Seller within forty-five (45) days following written notice from Buyer to Seller regarding such breach or inaccuracy; provided, however, that Buyer is not then in material breach of this Agreement;

any party hereto of any liability or damages resulting from any fraud or Willful Breach of this Agreement.

(e) In the event that legal action is taken by any party (including any of the Parties) against Buyer or the Buyer Board in relation to the legality of the decision by Buyer or the Buyer Board to enter into or perform the agreements between Buyer and Seller set forth in this Section 7.03, and, despite the party subject to the legal action having vigorously defended against such legal action, it is concluded by a final non-appealable judgment or decision of a court of competent jurisdiction that the decision by the Buyer Board to enter into the agreements under this Section 7.03 is unlawful or unenforceable, then Seller shall promptly remit to Buyer the portion of such termination payment (to the extent already paid) that such court has determined to be unlawful or unenforceable, net of any reasonable costs and expenses of Seller.

(f) At Seller’s option, Seller shall be entitled to assume and control the defense of any legal action referred to in Section 7.03(e) subject to Seller assuming all the costs relating to such defense. In the event that Seller assumes such defense, Buyer shall fully cooperate with Seller’s defense of such legal action, including by providing to Seller all such information regarding Buyer and the Buyer Board, and making available to Seller such employees, officers and directors of Buyer, as Seller shall reasonably request.

(g) Notwithstanding, anything to the contrary in this Agreement, any payments made pursuant to this Section 7.03 shall constitute liquidated damages, and from and after the termination giving rise to such payment, neither Party shall have any further liability of any kind for any reason in connection with this Agreement or the termination contemplated hereby other than as provided under this Section 7.03. In no event shall Seller be entitled to payment under Section 7.03(a) on more than one occasion.

(i) prior to their expiration in accordance with Section 8.01, the inaccuracy of any representation or warranty made by Buyer in ARTICLE IV (excluding the Fundamental Buyer Representations) as of the Closing Date;

(ii) prior to their expiration in accordance with Section 8.01, the inaccuracy of any representation or warranty made by Buyer in the Fundamental Buyer Representations;

(iii) prior to their expiration in accordance with Section 8.01, the failure by Buyer to perform any covenant or agreement made by Buyer in this Agreement; and

(iv) (A) the Buyer Taxes, and (B) any Transfer Taxes for which Buyer is liable under Section 5.23(a).

(c) Notwithstanding anything in this Agreement to the contrary:

(i) Seller shall not be required to indemnify or hold harmless any Buyer Indemnified Party against, or reimburse any Buyer Indemnified Party for, any Losses
pursuant to Section 8.02(a)(i) unless and until the aggregate amount of the Buyer Indemnified Parties’ Losses for which such Buyer Indemnified Parties seek indemnification pursuant to Section 8.02(a)(i) exceeds $10,000,000 (the “Basket Amount”), in which event Seller shall be required to pay or be liable for such Losses in excess of the Basket Amount;

(ii) Buyer shall not be required to indemnify or hold harmless any Seller Indemnified Party against, or reimburse any Seller Indemnified Party for, any Losses pursuant to Section 8.02(b)(i) unless and until the aggregate amount of the Seller Indemnified Parties’ Losses for which such Seller Indemnified Parties seek indemnification pursuant to Section 8.02(b)(i) exceeds the Basket Amount, in which event Buyer shall be required to pay or be liable for such Losses in excess of the Basket Amount;

(iii) Except for Losses recoverable under Section 8.02(a)(iv) Individual Losses of less than $100,000 shall not be recoverable under this ARTICLE VIII;

(iv) The cumulative indemnification obligations of Seller pursuant to Section 8.02(a)(i) shall in no event exceed $100,000,000 (the “Cap Amount”);

(v) The cumulative indemnification obligations of Buyer pursuant to Section 8.02(b)(i) shall in no event exceed the Cap Amount; and

(vi) For purposes of determining (i) whether there has been a breach of any representation and warranty of Seller set forth in Section 4.01 or Section 4.02 or of Buyer set forth in Section 4.03 and (ii) the Losses for any such breach, any “material”, “MHPS Material Adverse Effect”, “Buyer Material Adverse Effect” or similar materiality qualifications or threshold in the representations, warranties, covenants and agreements shall be excluded from, given no effect and be otherwise disregarded, provided that any such materiality qualification or threshold included in a defined term shall not be so excluded.

(vii) Seller shall not be required to indemnify or hold harmless any Buyer Indemnified Party against, or reimburse any Buyer Indemnified Party for, any Losses that are suffered or incurred by any Buyer Indemnified Party arising out of, resulting from or relating to any Taxes (“Buyer Taxes”) (A) reflected as liabilities on the Closing Balance Sheet or the Closing Non-Current Tax Accrual Schedule, (B) incurred with respect to a taxable period (or portion thereof) beginning after the Closing Date, other than Taxes incurred with respect to a breach of a representation contained in clause (II) of Section 4.02(m)(x) or (C) attributable to any action taken or election made after the Closing by Buyer or an Affiliate thereof, other than any such action or election expressly permitted or required by this Agreement or consented to in writing by Seller.

Section 8.03 Notice and Resolution of Claims. Except with respect to Tax Claims:

(a) Notice. Each Person entitled to indemnification pursuant to Section 8.02(a) or Section 8.02(b) (an “Indemnified Party”) shall give written notice to the indemnifying party or parties from whom indemnity is sought (an “Indemnifying Party”) promptly after obtaining knowledge of any pending or threatened claim, demand or circumstance that the Indemnified Party has determined has given or would reasonably be expected to give rise to a right of indemnification that such Person may have under Section 8.02(a) or Section 8.02(b),
as applicable (including a pending or threatened claim or demand asserted by a third party against the Indemnified Party, such claim being a “Third Party Claim”). The notice shall set forth in reasonable detail the claim, the basis for indemnification, and a good faith estimate of all related Losses, to the extent practicable. Failure to give notice shall not release the Indemnifying Party from its obligations under Section 8.02(a) or Section 8.02(b), as applicable, except to the extent that the failure prejudices such Indemnifying Party, it being understood that notices for claims in respect of a breach of a representation, warranty, covenant or agreement must be delivered before the expiration of any applicable survival period specified in Section 8.01 for claims with respect to such representation, warranty, covenant or agreement.

(b) Defense of Third Party Claims. If a Third Party Claim shall arise, the Indemnifying Party may assume the defense of such Third Party Claim by providing written notice to the Indemnified Party within thirty (30) days after receipt of the notice of such claim. The Person that shall control the defense of any such Third Party Claim (the “Controlling Party”) shall select counsel, contractors and consultants of recognized standing and competence after consultation with the other Party and shall take all steps reasonably necessary in the defense or settlement of such Third Party Claim, provided that the Indemnified Party shall retain the right to employ its own counsel and participate in the defense of the Third Party Claim at its own expense (which shall not be recoverable from the Indemnifying Party under this ARTICLE VIII unless (i) the Indemnified Party is advised by counsel that (x) there may be one or more legal defenses available to the Indemnified Party which are not available to the Indemnifying Party, or available to the Indemnifying Party the assertion of which would be adverse to or in conflict with the interests of the Indemnified Party, or (y) that representation of both parties by the same counsel would be otherwise inappropriate under applicable standards of professional conduct, (ii) the Indemnifying Party shall not have employed counsel to represent the Indemnified Party within thirty (30) Business Days after notice of the assertion of any such claim or institution of any such Third Party Claim, (iii) the Indemnifying Party shall authorize the Indemnified Party in writing to employ separate counsel at the expense of the Indemnifying Party, or (iv) such Third Party Claim relates to or arises in connection with any criminal action, in each of which cases the reasonable expenses of counsel to the Indemnified Party shall be reimbursed by the Indemnifying Party). Notwithstanding the foregoing provisions of this Section 8.03(b), (A) no Indemnifying Party shall be entitled to settle any Third Party Claim for which indemnification is sought under Section 8.02(a) or Section 8.02(b) without the Indemnified Party’s prior written consent, which shall not be unreasonably withheld, conditioned or delayed, unless it has assumed the defense of such Third Party Claim and as a part of the settlement the Indemnified Party is released from all liability with respect to the Third Party Claim and the settlement does not impose any financial or equitable remedy on the Indemnified Party, does not cause any restriction or condition that would apply to or materially adversely affect the Indemnified Party or the conduct of the Indemnified Party’s business or require the Indemnified Party to admit any fault, wrongdoing, violation, culpability or failure to act by or on behalf of the Indemnified Party, and (B) no Indemnified Party shall be entitled to settle any Third Party Claim for which indemnification is sought under Section 8.02(a) or Section 8.02(b) without the Indemnifying Party’s prior written consent, which shall not be unreasonably withheld, conditioned or delayed. Seller or Buyer, as the case may be, shall, and shall cause each of its Affiliates and Representatives to, cooperate fully with the Controlling Party in the defense of any Third Party Claim. Notwithstanding the foregoing provisions of this Section 8.03(b), if the Indemnifying Party does not notify the Indemnified Party within thirty (30) Business Days after receipt of the
Indemnified Party’s notice of a Third Party Claim of indemnity hereunder that it elects to assume the control of the defense of any Third Party Claim, the Indemnified Party shall have the right to contest the Third Party Claim but shall not thereby waive any right to indemnity therefor pursuant to this Agreement and the costs of such Actions by the Indemnified Party shall be paid by the Indemnifying Party.

(c) Resolution of Claims. Following timely provided notice of an indemnification claim under this Agreement in accordance with Section 8.03(a) (other than a Third Party Claim which is governed by Section 8.03(b)), the Indemnifying Party will have thirty (30) days from the date notice was provided of such claim (the “Dispute Period”) to make such investigation of the claim as the Indemnifying Party deems necessary or advisable. For purposes of such investigation, the Indemnified Party will make available to the Indemnifying Party all the information reasonably related to such claim relied upon by, or in the possession or control of, the Indemnified Party to substantiate such claim. If the Indemnifying Party disagrees with the validity or amount of all or a portion of such claim made by the Indemnified Party, the Indemnifying Party will provide to the Indemnified Party written notice thereof (the “Indemnification Dispute Notice”) prior to the expiration of the Dispute Period. If no Indemnification Dispute Notice is timely provided to the Indemnified Party within the Dispute Period or if the Indemnifying Party provides notice that it does not have a dispute with respect to such claim for indemnification, then such claim will be deemed approved and consented to by the Indemnifying Party (such claim being referred to herein as an “Approved Indemnification Claim”). The Indemnifying Party will pay the amount of the Approved Indemnification Claim by wire transfer of immediately available funds to the account designated in writing by the Indemnified Party within five (5) Business Days after such claim is determined to be an Approved Indemnification Claim. If a Dispute Notice is provided to the Indemnified Party within the Dispute Period and the Indemnifying Party and the Indemnified Party do not agree to the validity and/or amount of such disputed claim, the Indemnifying Party and the Indemnified Party shall negotiate in good faith for a period of at least sixty (60) days to resolve the dispute. If the Indemnifying Party and the Indemnified Party are unable to come to an agreement regarding such disputed claim during such sixty (60) day period, such dispute shall be resolved in accordance with Section 9.06.

Section 8.04 Exclusive Remedies. Except as otherwise expressly set forth in this Agreement, and except for fraud or intentional misrepresentation, following the Closing, the indemnification provisions of this ARTICLE VIII shall be the sole and exclusive remedies of any Seller Indemnified Party and any Buyer Indemnified Party, respectively, for any Losses (including any Losses from claims for breach of contract, warranty, tortious conduct (including negligence) or otherwise and whether predicated on common law, statute, strict liability, or otherwise) that it may at any time suffer or incur, or become subject to, as a result of, or in connection with, any breach of or inaccuracy with respect to any representation or warranty set forth in this Agreement by Buyer or Seller, respectively, or any breach or failure by Buyer or Seller, respectively, to perform or comply with any covenant or agreement set forth herein. Without limiting the generality of the foregoing, except for fraud or intentional misrepresentation, the Parties hereby irrevocably waive any right of rescission they may otherwise have or to which they may become entitled.
Section 8.05 Additional Indemnification Provisions.

(a) With respect to each indemnification obligation contained in this Agreement:

(i) all Losses shall be net of any (A) amounts that have been recovered by the Indemnified Party pursuant to any indemnification by, or indemnification agreement with, any third party or any insurance policy or other cash receipts or sources of reimbursement in respect of such Loss (including the recovery or reimbursement of payments from a Taxing Authority) and (B) Tax benefits to the Indemnified Party and its Affiliates arising out of such Losses (or out of the event or occurrence that gave rise to such Losses),

(ii) all Losses will be determined after deducting therefrom the amount of any reserve with respect to such matter on the Financial Statements,

(iii) no representation or warranty of Seller or Buyer shall be deemed untrue or incorrect as a consequence of the existence of any fact, circumstance or event that is disclosed in connection with another representation or warranty contained in this Agreement, and

(iv) Seller shall not be liable for any Losses to the extent that such Losses suffered by any Buyer Indemnified Party, on the one hand, and Buyer shall not be liable for any Losses to the extent that such Losses suffered by any Seller Indemnified Party, on the other hand, (A) result from any act or omission by such Buyer Indemnified Party or Seller Indemnified Party, as applicable, (B) result from the failure of such Buyer Indemnified Party or Seller Indemnified Party, as applicable, to take reasonable action to mitigate such Losses, (C) in the case of a Buyer Indemnified Party, result from the operation of the Group Companies after the Closing, (E) in the case of a Seller Indemnified Party, result from the operation of the Group Companies prior to the Closing, or (F) are caused by or result from any action (1) that Seller or Buyer is required, permitted or requested to take pursuant Section 5.01 (including pursuant to the consent of Buyer or Seller, as applicable) or (2) that Seller or Buyer having sought Buyer’s or Seller’s consent, as applicable, pursuant to Section 5.01 or Section 5.19, did not take as a result of Buyer or Seller, as applicable, having unreasonably withheld, conditioned or delayed the requested consent.

(b) With respect to Section 8.05(a)(i), the Indemnified Party shall first use commercially reasonable efforts to collect any amounts under such indemnification agreements, insurance policies or other sources of reimbursement to the same extent as they would if such Loss were not subject to indemnification hereunder or otherwise; provided that, (A) in accordance with and subject to the terms of this ARTICLE VIII, the Indemnified Party may submit a claim for indemnification prior to or simultaneously with satisfying such commercially reasonable efforts to collect such amounts prior to being indemnified with respect to such Losses, and (B) recovery for any such claims from the Indemnifying Party shall be permitted in accordance with and subject to the terms of this ARTICLE VIII in the event that an insurance, indemnity, reimbursement or similar recovery is not actually and fully realized, to the extent of such Losses, by the Indemnified Party within one hundred twenty (120) days of the date of such claim by the Indemnified Party in accordance with and subject to the terms of this ARTICLE VIII.
VIII; and provided, further, that the diligence findings, opinions or disposition of any insurance company with respect to any claim for indemnification, the determination of such insurance company regarding whether to deny or pay any claim in whole or in part, and all communications between such insurance company and any Indemnified Party, shall not be binding on the Parties, any Buyer Indemnified Party or any Seller Indemnified Party or have any force or effect with respect to any claim for indemnification hereunder. If an Indemnified Party receives any such insurance proceeds or indemnity, reimbursement or similar payments after being indemnified hereunder with respect to some or all of such Losses, the Indemnified Party shall pay to the Indemnifying Party the lesser of (1) the amount of such insurance proceeds or indemnity, reimbursement or similar payment, less reasonable attorney’s fees and other reasonable out-of-pocket expenses incurred in connection with such recovery and (2) the aggregate amount paid by the Indemnifying Party to any Indemnified Party with respect to such Losses.

(c) If an Indemnifying Party makes any payment for any Losses suffered or incurred by an Indemnified Party pursuant to the provisions of this ARTICLE VIII, such Indemnifying Party shall be subrogated, to the extent of such payment, to all rights and remedies of the Indemnified Party to any insurance benefits or other claims of the Indemnified Party with respect to such Losses and with respect to the claim giving rise to such Losses.

Section 8.06 Limitation on Liability. Notwithstanding anything in this Agreement or in any other Transaction Agreement to the contrary, in no event shall any Indemnified Party have any Liability under any Transaction Agreement (including under this ARTICLE VIII) for (i) any consequential, special, incidental, indirect or punitive damages (except (a) to the extent punitive damages are paid in connection with a Third Party Claim finally resolved in accordance with Section 8.03 or (b) fines or penalties imposed by a Governmental Entity) or lost profits or similar items (including loss of revenue; income or profits; any amount calculated based upon any multiple of earnings, book value or cash flow; diminution of value or loss of business reputation or opportunity relating to a breach or alleged breach of this Agreement); provided that such limitation with respect to lost profits shall not limit any Indemnified Party’s right to recover contract damages in connection with such Party’s failure to close in breach or violation of this Agreement, or (ii) any amount that is a possible or potential Loss that the Indemnified Party believes may be asserted rather than a Loss that has in fact been paid or incurred by an Indemnified Party pursuant to the provisions of this ARTICLE VIII.

ARTICLE IX

MISCELLANEOUS

Section 9.01 Expenses. Except as otherwise specified in the Transaction Agreements, each Party will pay its own costs and expenses, including legal, consulting, financial advisor and accounting fees and expenses, incurred in connection with the Transactions, irrespective of when incurred or whether or not the Closing occurs.

Section 9.02 Modification or Amendment. Subject to the provisions of applicable Law, and except as otherwise provided in this Agreement, this Agreement may be amended, modified or supplemented only by a written instrument executed and delivered by all of the parties hereto.
Section 9.03  **Waiver of Conditions.** The conditions to each of the Parties’ obligations to consummate the Transaction are for the sole benefit of such party and may be waived by such Party in whole or in part to the extent permitted by applicable Law.

Section 9.04  **Counterparts.** This Agreement may be executed in any number of separate counterparts, each such counterpart being deemed to be an original instrument, and all such counterparts shall together constitute the same agreement.

Section 9.05  **Governing Law.** Subject to the following sentence, this Agreement shall be governed and construed in accordance with the Laws of the State of New York, including as to validity, interpretation, enforcement and effect, without regard to any applicable conflicts of law principles to the extent that the application of the Laws of another jurisdiction would be required thereby. Notwithstanding the foregoing, the subscription and issuance of the Share Consideration and the delivery thereof to the Seller pursuant to this Agreement shall be governed by and construed in accordance with the laws of Finland.

Section 9.06  **Jurisdiction; Enforcement; Waiver of Jury Trial.**

(a) Except as set forth in Section 2.07(b), Section 2.07(f), and Section 2.10 with respect to any dispute to be resolved by the Accountant, any Action arising out of or relating in any way to this Agreement and the transactions contemplated hereby, whether in contract, tort, common law, statutory law, equity, or otherwise, including any question regarding its existence, validity, or scope (any “Transaction Dispute”) will exclusively be brought and resolved in the U.S. District Court for the Southern District of New York (where federal jurisdiction exists) or the Commercial Division of the Courts of the State of New York sitting in the County of New York (where federal jurisdiction does not exist), and the appellate courts having jurisdiction of appeals in such courts. In that context, and without limiting the generality of the foregoing, each Party irrevocably and unconditionally:

(i) submits for itself and its property to the exclusive jurisdiction of such courts with respect to any Transaction Dispute and for recognition and enforcement of any judgment in respect thereof, and agrees that all claims in respect of any Transaction Dispute shall be heard and determined in such courts;

(ii) agrees that venue would be proper in such courts, and waives any objection that it may now or hereafter have that any such court is an improper or inconvenient forum for the resolution of any Transaction Dispute; and

(iii) agrees that the mailing by certified or registered mail, return receipt requested, to the Persons listed in Section 9.07 of any process required by any such court, will be effective service of process; provided, however, that nothing herein will be deemed to prevent a Party from making service of process by any means authorized by the Laws of the State of New York.

(b) The foregoing consent to jurisdiction will not constitute submission to jurisdiction or general consent to service of process in the State of New York for any purpose except with respect to any Transaction Dispute.
(c) EACH PARTY HERETO ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY THAT MAY ARISE HEREUNDER IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY SUIT, ACTION OR OTHER PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR THE TRANSACTIONS CONTEMPLATED HEREBY. EACH PARTY HERETO CERTIFIES AND ACKNOWLEDGES THAT (i) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF ANY ACTION, SUIT OR PROCEEDING, SEEK TO ENFORCE THE FOREGOING WAIVER, (ii) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (iii) EACH PARTY MAKES THIS WAIVER VOLUNTARILY, AND (iv) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS Section 9.06(c).

(d) The Parties agree that irreparable damage would occur and that the Parties would not have any adequate remedy at law in the event that any of the provisions hereof were not performed in accordance with their specific terms or were otherwise breached and that any defense in any action for specific performance that a remedy at law would be adequate is hereby waived. It is accordingly agreed that the Parties shall be entitled to an injunction or injunctions to prevent breaches or threatened breaches hereof and to enforce specifically the terms and provisions hereof exclusively in New York state or federal court and any appellate court therefrom, in addition to any and all other rights and remedies at law or in equity, and all such rights and remedies shall be cumulative.

Section 9.08 Entire Agreement. This Agreement (including any exhibits hereto), the Termination Agreement and the Confidentiality Agreement, dated June 12, 2015, between Seller and Buyer (the “Confidentiality Agreement”) constitute the entire agreement, and supersede all other prior agreements, understandings, representations and warranties both written and oral, among the Parties, with respect to the subject matter hereof.

Section 9.09 Nature of Representations. No investigation by either of the Parties prior to or after the date hereof shall limit any right hereunder (including any right to indemnification pursuant to ARTICLE VIII) or be deemed to be a waiver of any such right and notwithstanding anything to the contrary herein, the rights and remedies of each of the Parties shall not be limited by the fact that such Party (i) had actual or constructive knowledge (other than knowledge of matters disclosed in the applicable Disclosure Letter) of any breach, event or circumstance, whether before or after the execution and delivery of this Agreement or the Closing, it being understood that information disclosed in the applicable Disclosure Letters, in accordance with

86
ARTICLE VIII, shall be deemed to qualify, and to the extent so qualified, to avoid a breach of, such representation or warranty or (ii) waived (A) any breach of representation or warranty or compliance with any covenant or (B) any condition to the Closing set forth in ARTICLE VIII.

Section 9.10 No Third-Party Beneficiaries. This Agreement is not intended to, and does not, confer upon any Person other than the Parties any rights or remedies hereunder.

Section 9.11 Severability. The provisions of this Agreement shall be deemed severable and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction.

Section 9.12 Interpretation; Construction.

(a) The table of contents and headings herein are for convenience of reference only, do not constitute part of this Agreement and shall not be deemed to limit or otherwise affect any of the provisions hereof. Where a reference in this Agreement is made to a Section, Schedule, Annex or Exhibit, such reference shall be to a Section of, Schedule to, Annex of or Exhibit to this Agreement unless otherwise indicated. Whenever the words “include,” “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation.”

(b) The Parties have participated jointly in negotiating and drafting this Agreement. In the event that an ambiguity or a question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties, and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any provision of this Agreement.

Section 9.13 Assignment. Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned, in whole or in part, including by way of operation of law or otherwise, by any of the Parties without the prior written consent of the other Party; provided, however, that Buyer may, upon written notice to Seller, assign to any Affiliate that is controlled by or under common control with Buyer all or a portion of its rights and obligations hereunder (including becoming a party to this Agreement) without the consent of the other Parties hereto; provided, further, that any such assignment by Buyer to an Affiliate shall not relieve Buyer of its obligations under this Agreement or delay the Closing.

Section 9.14 Remedies Cumulative; Specific Performance. The rights and remedies of the Parties shall be cumulative (and not alternative). The Parties agree that, in the event of any actual or threatened breach or failure to comply by any Party hereto of or with any covenant, obligation or other provision set forth in this Agreement: (a) any other Party shall be entitled,
without any proof of actual damages (and in addition to any other remedy that may be available to such other Party ), to: (i) demand, or seek an Order of, specific performance to enforce the observance and performance of such covenant, obligation or other provision and (ii) seek an injunction restraining such actual or threatened breach or failure; and (b) such other Party shall not be required to provide any bond or other security in connection with any such demand, Order or injunction or in connection with any related action or legal proceeding.

Section 9.15 Waiver. At any time before the Closing, either Seller or Buyer may (a) extend the time for the performance of any obligation or other acts of the other Person, (b) waive any breaches or inaccuracies in the representations and warranties of the other Person contained in this Agreement or in any document delivered pursuant to this Agreement, or (c) waive compliance with any covenant, agreement or condition contained in this Agreement but such waiver of compliance with any such covenant, agreement or condition shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure. No failure on the part of any Party to exercise, and no delay in exercising, any right, power or remedy under any Transaction Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such Party preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

Section 9.16 Seller Guarantee. Seller agrees to take all action necessary to cause the Sellers to perform all of their respective agreements, covenants and obligations under this Agreement. Seller unconditionally guarantees to Buyer the full and complete performance by the Sellers of their respective obligations under this Agreement and shall be liable for any breach of any representation, warranty, covenant or obligation of the Sellers under this Agreement. This is a guarantee of payment and performance and not collectability. Seller hereby waives diligence, presentment, demand of performance, filing of any claim, any right to require any proceeding first against any of the Sellers, protest, notice and all demands whatsoever in connection with the performance of its obligations set forth in this Section 9.16.
